BIG GAME HUNTING

Caribou, Deer, Moose and Bear haunts are best reached by the Canadian Pacific Railway—the road of the experienced hunters—in Ontario and Quebec and real sport as found in the country contiguous to the line from Mattawa to the Manitoba boundary is unequalled elsewhere in America.

Prospective hunters this season cannot do better than avail themselves of special hunters' train arrangements, etc., enabling camp setting and getting on the ground without the customary vexatious delay.

Read "Open Seasons for Game and Fish, 1909," "Fishing and Shooting"—a handsomely illustrated 80 page booklet—"Sportsman's Map" free for the asking at any Canadian Pacific Ticket Office, or write

Deer Hunting in Ontario

Is best along the line of the Canadian Northern Ontario Railway. More deer were taken out of the district between Parry Sound and Sudbury last year than all other districts combined. Moose are also plentiful near the line north of Sellwood. Write for literature, maps and general information to C. Price Green, Passenger Agent, Canadian Northern Ontario Railway, Toronto, Ont.
