THE FEBRUARY FURNITURE SALE

JUST as January is a White Goods month, so February is a Furniture month, and has been in this store for many years. We take pride in printing a summary of the representative goods to be offered at discounts during this February Sale.

\$12,000.00 Worth of Underbought Furniture

and more will be added from time to time during the month. The saving our February customers will effect ranges from 15 per cent. to 50 per cent. The goods we speak of are all freshly arrived in the store, and bought particularly for this sale from manufacturers who had clearing lots to sell below the market price.

If you have houses to furnish or furniture to buy, no matter for what purpose, we know you'll be keenly alive to the savings on the goods outlined in these paragraphs. We have made them very brief and tried to suggest the full range of the goods offered.
