On Train,
October 20, 1935.

Dear Dr. Stanley:

I am indeed glad to get your letter of the 13th.
I made enquiries at Calgary and found where you were.
Am certainly delighted to know you are behind our candidates
there. It is most important to elect both the Calgary men.
We had excellent meetings at that point, indeed, I think
the largest ever held in that section of the country.
Am to be in St. Marys tomorrow.

Very sincerely yours,

Dr. G.D. Stanley,
6th Ave, Cor of 1st St. W.,
Calgary, Alta.
