✓ Sir,

In reply to your letter of the 2nd instant, I have to inform you that, if an absolute necessity exists for the expense of replacing the wood stoves in use at the Indian Schools by coal stoves, you may purchase the latter at a cost not to exceed that stated in your letter of the 19th September last, together with the necessary quantity of coal for the winter.

You will also be good enough to state what disposal is proposed

Mr. Hill Esq^r
 Indian Dept
 Shannonville
 Ont.
