

D6/3

I did not attempt to have any repairs done to my bike after I had dinner.

I knew I had a scheduled run to make that afternoon.

No reexamination.

Pd. Const Coy R. E. being duly
sworn states:-

On 30 Oct Sfr. Halpernmy
was showing me my run and while
he was showing me the road his
machine was acting in a peculiar
manner so we tried the machine out
and it would only do 40 miles an
hour. When we had arrived at
our destination we tried to see
what we could do we and found
there was no lights or horn and
it certainly wasn't in first class
running condition by any means.
I wouldn't ride the bike in the
condition in which it was myself.
I have been D. Ring on motorcycles
for about 9 months.

Cross examined.

I did not ride the bike
in question myself. I observed etc
