

All praise to the Lord !
All praise to His due :
His merciful word
Is tried, and found true ;
Who His dereliction
On Calvary bear,
And share His affliction
His kingdom shall share.

Remember us there,
And answer our call,
When turning with pain
Our face to the wall ;
In trouble stand by us,
Till all is o'erpast,
And chasten and try us,
But save us at last."
