

Company is paid in, and a certificate thereof filed in the office of the Clerk of the County of Erie. Of the whole capital stock subscribed, one-half shall be paid in within two years, and the one-half within three years from the time of the incorporation of said Company. If the Directors of said corporation shall contract debts for the Company exceeding in the aggregate the amount of the capital stock, they shall primarily be personally liable for such excess, and the stockholders shall be secondarily liable for such excess, in the ratio of their respective shares of stock.

Company to possess general powers of the 18th chapter Revised Statutes

amended see page 21, post

Persons not to obstruct works.

SEC. XIII. The said corporation shall possess the general powers and be subject to the general liabilities prescribed by such parts of the eighteenth chapter of the first part of the Revised Statutes as are not repealed.

SEC. XIV. If any person shall wilfully do, or cause to be done, any act or acts whatever, whereby said bridge, its lights, stations, works, machinery, fixtures or other appurtenances thereto or any part thereof, or any work or approach appertaining thereto, shall be obstructed, impaired, weakened, destroyed or injured, the person so offending shall forfeit to said corporation treble damages sustained by means of such offence or injury, to be recovered in the name of the corporation, with costs of suit, by action of debt, and shall, moreover, be guilty of a misdemeanor, and be punished by fine or imprisonment, or both, by any court having cognizance of the offence.

Bridge for the passage of persons, carriages and railways.

SEC. XV. Said bridge may be constructed as well for the passage of persons on foot and in carriages and otherwise as for the passage of railroad trains; but all such railroad Companies as are mentioned or referred to in the seventh section of this act, shall have and be entitled to the same and equal rights and privileges in the passage of said bridge, and in the use of the machinery and fixtures thereof, and of all the approaches thereto.
