The need of an Art Museum in Toronto has long been felt by those interested in the progress of Art in the city and province.

While in other branches of education Toronto takes a leading position, and suitable buildings have been erected for their accommodation, as regards Art it is far behind cities of its size and importance in the United States, Australia, New Zealand and Cape Colony

Visitors are surprised at the absence, in a centre of education, of an appropriate home for the fine arts.

All art workers feel more and more the need of such an institution as a place of reference and comparison ; and students of art also feel the lack of opportunities for study.

It is therefore considered that a great effort should now be made on a broad basis to found such an institution. The material for this pamphlet has been prepared and published in the hope of aiding the organization of an Art Museum Association in Toronto and of encouraging donations by citizens and corporations.
