

A Company tank truck employed to keep service stations, garages, other dealers and larger users supplied with Imperial Polarine and other Imperial products.

Polarine
FRICTION REDUCING MOTOR OIL
"Makes a good car better"

Keeping Everyone Supplied

To make sure that our patrons are kept supplied with Imperial Polarine and other products, we operate fleets of motor trucks and tank wagons. Distribution never lags—deliveries are prompt and frequent.

Imperial Polarine perfectly meets the lubricating requirements of automobile, tractor and stationary engines.

Spreads a thin, unbreakable coating of lubrication between rubbing parts. Intense heat can't make it break or gum. Friction is prevented, wear retarded. Imperial Polarine imprisons power in the cylinders—burns without leaving carbon.

Three grades—Imperial Polarine, Imperial Polarine Heavy and Imperial Polarine A.

Ask the Imperial Oil Man which you need.

In one-half, one and four-gallon sealed cans, twelve and a half gallon kegs, half-barrels and barrels.

Sold by good dealers everywhere.
