Dalling and journg, sobbing and sighing, Hear'st thou the rain? Shricking and grouping, mutt'ring and crying, Hurled 'gainet the pane, With wound like the wall of a restless spirit,

Meaning in vain! .. Now, as it trightened, it holdeth its breath.-Now it seems towing the slow march of Death, Fearfully praying,

Tearfully saying, Darkness is over us, Demon wings cover us, Flapping amain

Heaving and surging, gurgling and roaring. Waves of the soul, Gloriny and darking, coldly are pouring Like are is of a glant, scornfully keeping

Us from our goal?
Now sperit with effort, we rest on Life's sea, Now we seem waging a fierce flight and free. Mockingly gazing, Strong arms upraising, While groans of the dying, And stricken ones sighing, Sob out their dole!

Flashing and sparkling, glowing and beaming, Break on the strand Waves from the Death-sea, goldenly gleaming Rays isom the Holy One's glory outstreaming

Lighten the land. They're rolling away from a far-off shore, Rolling away and returning no more, Joyfully crying

Gim Time is dving, Heaven is the sing us, Angels caressing us-Blest be the band !"

Miscellaneous.

wash it away, as it is to remove the oil from the wheels of machinery. It is unquestionably important that the cleanliness of the organ be maintained; yet this may be accomplished in the usual manner without one into the complished in the usual manner without one into the complished in the usual manner without one into the control of the complished in the usual manner without one into the control of the cont
