## ALCOHOLISM IS CURABLE

The Canadian Agency which the Rev. H. O. Dixon has accepted for the cure of alcoholism is acknowledged by those who have studied the matter to be unequalled in extinguishing the crave for liquor. It is an absolute cure—taken at home—no loss of time—no hypodermics—safe and healthful. This treatment is taken by hundreds every month in the United States, and is curing more patients than any other there.

Rev. J. O. Davidson, Rector of Peterboro, writes: "I found that the treatment, which I procured for a friend, did all that was claimed for it."

Hon. L. S. Coffin, founder of the railroad temperance movement, writes: "I have seen it proved in scores of cases. Not in a single case has it failed to perfectly eradicate all the terrible crave for drink, and in not a case has it left a bad result."
