McINTOSH BROTHERS

PERSONAL, PURELY
From The Chicago-Belleville News.
The "Dutchman's Flea" has nothing on your old pal, "Count Mike." He fits from one end of the map to the other and, according to the papers is on the wing ten-ninths of the time.
Dr. Thomas O'Hagan, "Citizen of the World," at present hibernating at Windsor, Ont., has issued, through his Toronto publishers, another volume of poems entitled "In the Meadow." We have seen several critical reviews of the Doctor's latest work and one and all were very outspoken in praise of the charm and grace of the songs which this sweet singer has given to the world of literature.
J. Walter Evans, recently engineer of Belleville, was in Chicago the week of Dec. 14th, in attendance at the annual convention of the American Road Builders' Association. The meeting of the association and the exhibits of road work were held at the Great International Amphitheatre and Dexter Pavilion at the Union Stock Yards. The headquarters of the convention was at the Hotel La Salle. The great banquet took place in the Louis XVI Ball Room of the La Salle and was attended by nearly one thousand engineers. Mr. Evans was a very busy man that week and certainly took back to Belleville a fund of new ideas that will be of the benefit to the city in the future.
John Johnston has arrived at the proud dignity of grandfatherhood. He wears his honor gracefully.
The new Hotel Morrison at Clark and Madison streets was opened on December 14. J. O. Conway Hutchins so long associated with the management of the La Salle Hotel, is general manager. Mr. George Wolf, formerly assistant manager of the La Salle, is Mr. Hutchins' first assistant. Both these gentlemen have, in days gone by been good friends of the Belleville contingent in Chicago. "Morrison" is a beautifully appointed hotel, complete in every detail and splendidly located in the heart of the shopping and theatre district.
Several notes, commenting on Jos. Nevin Doyle's splendid sonnet, "The New Hun," have been received. We thought it a fine one, that's why we printed it.
Chas. T. Dolan, of Moose Jaw, Sask., stopped over in Chicago for a day or two on his way back to Belleville where he will spend the Christmas holidays with his parents, Mr. and Mrs. Frank Dolan. Charlie says that his things are somewhat quiet in the Canadian West, they are not entirely dead. He has been operating in real estate in Moose Jaw.
Miss Josephine Tickell, daughter of Jos. L. Tickell, was a winner of the one hundred dollar Carter Scholarship for high grade in Upper School Work.
"Ted" and "Pat" Yeomans, sons of Dr. Horace Yeomans, are with the Artillery Section of the Canadian contingent in England. They are both in the signal service and are sending back to Belleville, some very interesting letters about the life in camp at Salisbury Plain.
Miss Edna Fish, daughter of the late Arthur Fish, was married this month at Rochester, N.Y. The lucky guy who copped her out was Augustus A. MacAllister of Rochester. Rochester is the town that "Lukey" Clement owns.

KIDNEY TROUBLE IS HEREDITARY?
But Dodd's Kidney Pills Always Cures It
Dresden Man Who Inherited Trouble Finds speedy Relief and Permanent Cure in Dodd's Kidney Pills.
Dresden, Ont., Jan. 4 (Special).—Whether kidney disease is hereditary or not is a matter of opinion. Mr. Samuel Burkett, a well-known resident of this place, is convinced that he inherited his from his parents. He knows that Dodd's Kidney Pills cured it.
"I inherited my Kidney Disease from my parents," Mr. Burkett states "I was treated by a doctor, and tried various medicines, but it was not till about eighteen months ago, when I started to use Dodd's Kidney Pills that I got any permanent relief."
"Since the time I have not felt any effect of my old trouble, and I feel that anybody troubled with kidney disease will be benefited by the use of Dodd's Kidney Pills if they follow directions closely."
"I hope that others may be helped by Dodd's Kidney Pills. I am well-known here, and anybody who wishes more particulars of my cure can have them by writing me and enclosing stamps for reply."
Dodd's Kidney Pills never fail to cure any form of kidney disease.

SATURDAY'S MARKET
Saturday's market was exceedingly small as a natural result of the New Year's feast day preceding. Still it was larger than the market following Christmas Day.
Eggs brought 45c. per dozen for fresh and butter 32c to 35c per pound.
Poultry was higher, particularly chickens 65c, a peice being asked. Some turkeys brought 22c per pound.
Hay was a little higher at \$16.50 per ton.
Potatoes are worth 75c. per bag.
Hogs are a little higher \$7.25 live-weight and \$9 to \$10 dressed. Spring lamb is up in price to 15c. wholesale.
Revive the Jaded Condition.—When energy flags and the cares of business become irksome; when the whole system is out of sorts and there is general depression, try Parmelee's Vegetable Pills. They will regulate the action of a deranged stomach and a disordered liver, and make you feel like a new man. No one need suffer a day from debilitated digestion when so simple and effective a pill can be got at any drug store.

Belleville Patriotic Association
The treasurer begs to acknowledge with thanks the following subscriptions and monthly payments since added to the lists published up to the 25th of December.

HERE AND THERE
One of these fine days the armies of Russia will camp along the tall chimneys and power-houses of West Prussia and Silesia. Slav soldiers will light their pipes and look over the deserted magnificence of great factories that for many weeks have not turned a wheel or consumed a ton of coal. Cossacks will picket their horses on the boulevards and watch the wives and children of the workers who have gone to the war because they were a thousand times more needed in the trenches than in the boiler-rooms and the workshops. They will know that Germany's greatness as a manufacturing nation has become a memory; that for long years to come this nation of great workers will be just catching up to where they left off when the war began.
Perhaps some of our Canadian soldiers will have an opportunity to look over some of these smokeless, powerless, smokeless Stonehenges of decrepit industries. And if they do there may come into their imagination, along with the keen memories of home and a greater potential country than Germany, the picture of great factories and little factories and middle-sized factories, all plugging away as they have been doing since the war began to make things that the Canadians eat and wear and put into their houses. And it will be some cause for national pride in these men to reflect that, although England and Canada and the rest of the Empire went to the front in this war, the basic industries of the Empire are as flourishing as ever. They will be proud to remember that, united as the Empire is in war, the people of the overseas dominions are just as united at home to keep us work and wages and good times.
Mr. Arthur Johnson, of the Second Canadian Contingent, Kingston, is in the city.

DEATH OF JUDGE RUSSELL

Was Brother of Registrar Mr. S. Russell of Belleville.
William Allen Russell, K.C. Judge of Probate for the county of Westmorland, New Brunswick died on Monday night, Dec. 28th at his home in Shediac after a comparatively short illness, death being due to heart trouble. Mr. Russell was one of the leading barristers and one of the best known in the eastern part of New Brunswick. He was a frequent visitor to Belleville, where his brother, Mr. S. Russell, registrar of the County of Hastings, lives. The latter was at his brother's bedside when the end came.
The late Judge Russell was held in the highest esteem and enjoyed the confidence of all who knew him. He was born at Newcastle, N.B., on March 4th, 1859 and was the youngest son of James and Ann Russell, both natives of Ireland, who were early settlers on the Miramichi. He received his education in the public schools and Harkins Academy at Newcastle. After teaching school for several terms he entered the law office of the late Judge Adams and subsequently entered the office of D. S. Kerr in St. John. After being admitted to the bar he opened an office in Shediac and for 39 years he had practised as a lawyer. He was very popular with people of all classes and creeds and represented the parish of Shediac for many years in the county council. He was trustee of the Shediac Grammar School continually for 33 years. When Shediac was incorporated as a town, he was appointed town clerk and police magistrate. Upon the death of the late Judge Emmerson of Moncton, he was appointed Judge of Probates. He was also solicitor for the Bank of Montreal.
Judge Russell was a Presbyterian, a Conservative, a member of the Masonic order and the I.O.F. He was a man of great public spirit and identified himself with every movement that would advance the interests of town and county. He was a promoter of the Shediac Light Co. in which he was a director.
He leaves a widow, three sisters and one brother, Mrs. S. Russell of Belleville, Ont. The funeral took place to Greenwood cemetery on Thursday afternoon.

COMMENTS BY THE WORLD

Special to the Ontario
Toronto, Dec. 29, 1914—Some interesting comments on the new Cabinet are made editorially by the Toronto World, Conservative. "One thing," it says, "that Mr. Hearst's ministry should keep before it is the necessity of running Ontario affairs for Ontario. There is more than a belief that the Dominion Government has a large finger in the Ontario pie and Mr. Hearst will have to make it plain that he has no objection to before he can get a support as hearty as that which was extended to his honored and trusted predecessor, Dundas and Hamilton are reminded that any necessary, that friendly hints and warnings are not to be ignored."
In regard to Mr. Lucas' transference to the Department of Attorney General, the World says, "The problem that has been untouched and the proceedings that have been hanging fire in the Attorney General's Department, are enough to keep Mr. Lucas busy for a long time to come. His friends expect him to get busy on the more pressing issues at once and thus maintain his reputation for efficiency. He can make his own choice of what is to be done first but it will be a grievous disappointment to the Province if, after a long period of stagnation, many things are not done."
The World hopes that McGarry and Ferguson as Provincial Treasurer and Minister of Lands respectively, will co-operate in regard to the general question of revenue, especially timber limits. "It almost seems like a conspiracy of silence at times," says the World, "when an attempt is made to get at the exact conditions on which timber limits are leased. If the information exists, it is not readily available and when it is available it is usually in a fragmentary and disjointed form unless for comparatively five purposes. There is reason to believe that many timber limits are not yielding the Province what is justly due from them. Some are lying fallow in part and others are held on terms which it would be profitable to the Province to cancel or to purchase. The whole record should be over-hauled and the light let into the dark places."

DIED AT CLEVELAND

She passed away at her sister's residence in Cleveland, on Dec. 14, 1914, Miss Mary E. Mullins, sister of Mr. Cornelius Mullins, and Mrs. Thos. Callaghan of this city, and of Mrs. J. Newman, of Cleveland, Ohio.

POLICE NEWS

Mr. A. L. Burke, Bay-side, notified the police that two burglars had followed him home on Saturday night and would not go away when an attempt was made to drive them off. There was a little trouble in the Empire Cafe, where a "bunch" of young men had refused to leave when requested. The sight of the policeman changed their minds.
All mothers can put away anxiety regarding their suffering children when they have Mother Graves' Worm Exterminator to give relief. Its effects are sure and lasting.
