A. D. M'INTOSH OF STIRLING CARRIES U. F. LABOR CONVENTION WILL CONTEST WEST HASTINGS

Time when the I.L.P. and the Progressive Farmers should be at the head of affairs. These two basic elements were never represented at Ottawa.

NINE NAMES BEFORE CROWDED MEETING AT TRENTON LAST NIGHT—ALL BUT THREE WITHDRAW BEFORE MR. M'INTOSH'S STRONG FAVORITE FOR THE HONOR

Mr. A. D. McIntosh, of Stirling, District Representative of the Department of Agriculture for Hastings County for the past eleven years, was last evening, at a U.F.O.-Labor convention at Trenton, selected to contest the constituency of West Hastings in the coming general elections in the joint interest of the Independent Labor party and the Progressive or United Farmers.

TOWN HALL WAS FILLED

In accepting the nomination, the U.F.O.-Labor candidate, Mr. McIntosh, sang a verse of a rollicking song, "I'm the Happiest Man in Town," and declared: "I'm a man of affairs. I have a job, and I am a railroad man. A railroad man has his hands tied, and who tied them? The present government. I cannot be a candidate."

NO FREE TRADE FOR ME

IDEA GROWS Apace

Stimulates Interest in Education While Not Seeking to Control

There was a representative gathering from all the townships of South Hastings at a meeting in the Town Hall, Canfield, under the auspices of the Ontario School Trustees' Association, on Thursday Oct. 26th, for the purpose of organizing a branch for the Inspectorate.

Mr. James McMullin, of Holloway, was elected chairman and Mr. F. J. Knight, of Fenwick, secretary of the meeting. Short addresses were made by W. M. Morris, Sec.-Treasurer of the Provincial Association, and H. J. Clarke, I.P.S., on the purpose and advantages of having such an association. All the counties of Ontario have such organizations and they are having a great influence in stimulating a deeper interest in education. The association does not advance any particular scheme in the administration of the schools of the province, but rather cultivates the confidence and co-operation of the people and provides the means whereby they can give expression to their views on educational matters.

The Provincial Association is 35 years old and out of 30,000 school trustees in the province, has had an average attendance of about 100, until last year, owing to this movement, when there were 2,000 present. Very many conferences and conventions have been held in all parts of the province and much literature distributed. The officers are looking for a large attendance next Easter in Toronto.

The following officers were elected for the Association formed in South Hastings:

Hon. Pres.—H. J. Clarke, I.P.S., Fenwick. Vice-Pres.—Fred G. A. Bennett, Belleville. Vice-Pres.—Ard A. Robinson, Corbyville.

Directors: Belleville—Arthur McGie and F. S. Deacon. Trenton—Fred Abbott and H. E. Mayhew. Deseronto—Chairman and Secretary of the School Board, and J. M. Frankford, George Pollard. Thurlow Twp.—C. W. Pitman, Foxboro.

Shiner—Percy Mott, Belleville. Responding—Fred A. Robinson. It was decided to hold a convention in Canfield on the afternoon of Nov. 23rd, and in Belleville on the evening of the same day.
