OBITUARY

Saturday morning past, the death occurred at his residence, Duckworth St East, of a well-known and respected citizen in the person of Mr. James R. Meehan. Mr Meehan had been ill for some time past, but death was not which may be mentioned the Beaver anticipated and came as a sad blow to his immediate relatives and friends. Kindly and affable by temperament, he was popular and well liked by a large circle of acquaintances.

Surviving him are a sister and brother, Miss Kate and Mr. John Meehan, to whom the Mail and Advocate extends its sympathy.

Miss Aileen O'Neil Sincere sympathhy to Mr. and Mrs. P. J. O'Neil on the death of their daughter of Aileen, who passed away on Saturday last. The deceasofage, was very well known, highly accomplished, and admired and lored she rest in peace.

#### Last Night's Lecture

The 'Secret of England's Greatness' vas the topic of last night's illustrated scriptural lecture at the Seamen's

The lesson of the evening was the 81st psalm, which is an exhortation from the Almighty for obedience from his people, their previous disobedience having proved them downfall. Faith in God, and the Holy Bible had been, and will continue to be the real secret of England's greatness, said Mr. Jones, in effect, when he instanced the late beloved Queen Victoria, who, when being informed that she was now Queen of England, turned to the Archbishop of Canterbury with her first request-"pray for me, Your Grace, that I may be guided aright to govern my people," and in late years when she was interviewed by native African potentutes who were anxious to learn the JOB." secret of England's greatness, Her Message received from S.S. "Neptune." Majesty turning to her Secretary asked him for the Holy Bible, which tak ing it in hand—this, she said is the secret of England's greatness-Some beautiful views of historic abbeys and old castles in England and Wales were shown on the screen, illustratthat the only other steamer in sight ive of the lecture, which were much

At the close of the meeting, Mr. Jones reminded the audience that just twelve months ago, we in this city, were stirred by the first news of the Sealing Disaster, and he asked att present to join in singing the closing hymn—one of intercession for those now in peril or danger on land or Nathional Anthem, a pleasant and in- the line yesterday. structive Sunday evening hour came

#### THE NICKEL

The Nickel will be closed all this week, and knowing this, a larger crowd than usual visited the show Satrday afternoon and night.

The Nickel has now become like an old friend, whom we cannot abandon and after once or twice attending edral some 20 of the Naval Reservists there, we show our appreciation by

On Easter Monday the theatre will getting clear; wind West; ice open- re-open with a more favorable bill From Ss. Florizel (last night) -- and his able staff again to the front in jury to anybody resulted. At this 'Ice tight; ship jammed; N. E. wind skilful catering to the many and always pleased Nickel patrons.

Take in every change of programme spurt.

## Doing Well in the U.S.

About 20 years ago, a young man elonging to Twillingate named Titus W. Hodder, went from his native shores to the United States, and there looked for wor. He took absolutely nothing with him, beyond a determination to succeed. Mr. Hodder is today one of the biggest con-(tractors and builders and real estate men in America, and is worth nearly half a million of Uncle Sam's coin

He is now living at Lynn Mass, owns three splendidly equipped autos, has his own yacht, and a palatial country residence. He has provided, the wherewithal to the erection of several schools and homes, amengst Falls High School, and the Duguesne

Mr. Hodder commenced his career in the new world, as a simple workman, from thence to foreman, to assistane manager, to manager, and finally to purchaser and owner of the
