THE DEVIL HAS RESIGNED

Satan, in Letter to German Ruler, Informs Him He has Ousted All Other Evil-doers from Pinnacle of Infamy.

Louis Syberkrop of Creston, Iowa, has acquired much fame in recent weeks as author of a satire on Kaiser Wilhelm. Requests have come to him from Tumulty, Secretary Daniels and Roosevelt, and people in every state of the Union and in Canada have asked for copies of Mr. Syberkrop's article. It is:

"The Infernal Region, June 28, 1917.
"To Wilhelm von Hohenzollern, King of Prussia, Emperor of all Germany and Envoy Extraordinary of Almighty God: My Dear Wilhelm—I can call you by that familiar name for I have always been very close to you, much closer than you could ever know.
"From the time that you were yet an undeveloped being in your mother's womb I have shaped your destiny for my own purpose.

"In the days of Rome I created a roughneck known in history as Nero; he was a vulgar character and suited my purpose at that particular time. In these modern days a classic demon and efficient supercriminal was needed, and as I know the Hohenzollern blood I picked you as my special instrument to place on earth an annex of hell. I gave you abnormal ambition, likewise an oversupply of Egotism that you might not discover your own failings; I twisted your mind to that of a mad man with certain normal tendencies to carry you by, a most dangerous character placed in power; I gave you the power of a hypnotist and a certain magnetic force that you might sway your people. I am responsible for the deformed arm that hangs helpless on your left, for your crippled condition embitters your life and destroys all noble impulses that might otherwise cause me anxiety, but your strong sword arm is driven by your ambition that squelches all sentiment and pity; I placed in your soul a deep hatred for all things English, for of all nations on earth I hate England most—wherever England plants her flag she brings order out of chaos and the hated Cross follows the Union Jack; under her rule wild tribes became tillers of the soil and in due time practical citizens; she is the great civilizer of the globe and I HATE HER! I planted in your soul a cruel hatred for your mother because SHE was English, and left my good friend Bismarck to fan the flame I had kindled. Recent history proves how well our work was done. It broke your royal mother's heart, but I gained my purpose.

The inherited disease of the Hohenzollerns killed your father, just as it will kill you, and you became the ruler of Germany and a tool of mine sooner than I expected.

To assist you and further hasten my work I send you three evil spirits: Nietzsche, Treitschke and later Bernhard, whose teachings inflamed

ed the youths of Germany, who in good time would be willing and loyal subjects and eager to spill their blood and pull your chestnuts, yours and mine; the spell has been perfect—you cast your ambitious eyes towards the Mediterranean, Egypt, India and the Dardanelles, and you began your great railway to Bagdad, but the ambitious archduke and his more ambitious wife stood in your way. It was then that I sowed the seed in your heart that blossomed in to the assassination of the duke and his wife, and all hell smiled when it saw how cleverly you saddled the crime on Serbia. I saw you set sail for the fjords of Norway and I knew you would prove an alibi. How cleverly done, so much like your noble grandfather, who also secured an assassin to remove King Frederick of Denmark, and later robbed that country of two provinces that gave Germany an opportunity to become a naval power. Murder is dirty work, but it takes a Hohenzollern to make away and get by.

"Your opportunity was at hand; you set the world on fire and bells of hell were ringing; your rape of Belgium caused much joy, it was the beginning, the foundation of a perfect hell on earth; the destruction of the cathedrals and other infinite works of art were hailed with joy in the infernal regions. You made war on friends and jo lapinu ari pur ephre aoi civilians showed my teachings had borne fruit. Your treachery toward neutral nations hastened a universal upheaval, the thing I most desired. Your undersea warfare is a master stroke, from the smallest mackerel to the great Lusitania you show no favorites; as a war lord you stand supreme, for you have no mercy; you have no consideration for the baby clinging to its mother's breasts as they both go down into the deep together, only to be torn apart and leisurely devoured by sharks down among the corals.

"I have strolled over the battlefields of Belgium and France. I have seen your hand of destruction everywhere; it's all your work, superfluous that I only; no merry children in Poland of Poland, now a wilderness fit for prowling beasts made you. I have seen the land now; they all succumbed to frost and starvation. I drifted down into Galicia where formerly Jews and Gentiles lived happily together; I found but ruins and ashes. I felt a curious pride in my pupil, for it was all above my expectation. I was in Belgium when you drove the peaceful population before you like cattle into slavery; you separated man and wife and forced them to hard labor in the trenches. I have seen the most fiendish rape committed on young women, and those who were forced into maternity were cursing the father of their offspring, and I began to doubt if my own inferno was really up to date.

"You have taken millions of dollars from innocent victims and called it indemnity; you have lived fat on the land you usurped and sent the real own-

ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all run down and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. B. CHAMBERLAIN, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. ELISE HARR, R. No. 6, Box 88, Lowell, Mich.

ers away to starvation. You have strayed away from all legalized war methods and introduced a code of your own. You have killed and robbed the people of friendly nations and destroyed their property. You are a liar, a hypocrite and a bluffer of the highest magnitude. You are a part of mine, and yet pose as a personal friend of God. Ah, Wilhelm, you are a wonder. You war only destroy all things in your path and leave nothing for coming generations.

"I was amazed when I saw you form a partnership with the impossible Turk, the chronic killer of Christians, and you a devout worshiper in your church. I confess, Wilhelm, you are a puzzle at times. A Mohammedan army, commanded by German officers, assisting one another in massacring Christians in a new line of warfare. When a Prussian officer can witness a nude woman being dismembered by a swarthy Turk, committing a double murder with one cut of his saber, and calmly stand by and see a house full of innocent Armenians locked up, the house saturated with oil and fired, then my teachings did not stop with you, but have been extended to the whole German nation. I confess my Santanic soul grew sick and there and then I knew the pupil had become the master. I knew the pupil had become the master. I am a back number, and my dear Wilhelm I abdicate in your favor. The great key of hell will be turned over to you. The gavel that has struck the doom of damned souls since time began is yours. I am satisfied with what I have done; that my abidction in your favor is for the very best interests of hell—in the future I am at your majesty's service. Affectionately and sincerely, "Lucifer H. Satan."

CANADIANS HOLD MOST IMPORTANT PART OF FRONT

Germans are Afraid to Attack Scrappy Boys from the Dominion.

How Two Canadians Unarmed Captured Five Germans Near Lens.

HALIFAX, May 2—At the commercial club weekly luncheon today an address was given by Lieut. Col. A. O. Blois, officer commanding a Nova Scotia battalion at the front, who is home on furlough. He said the Canadians are holding the most important part of the front. The coal fields of

France were being protected by them and those coal fields had not yet been under shell fire. All that prevented this was Hill 70 and Vimy Ridge held by Canadians.

Why are the Canadians not in the present offensive? Colonel Blois asked. Because the Germans are afraid to attack them and, therefore, it was better they should stay where they are.

Brave Canadians

Colonel Blois told the story of Corporal Patriquin, of Nova Scotia, and of Private Gardner, a German gun was bothering one of the Canadian communication trenches, which it was thought was manned only at certain times of the day. Patriquin and Gardner determined to try and silence the gun. They stole out at daybreak, crept on the position, but were surprised to find five Bosches there. The Canadians were unarmed except that one of them had a revolver. They showed their initiative however, by holding their ground silencing the gun and marching in the five Germans as prisoners. The corporal has been recommended for the D. C. M. and Gardner for the Military Medal, and he hoped both would be awarded.

READING THE NEWSPAPERS

(Chicago News.)

Those persons who speak contemptuously of "newspaper talk" as something inexact and unreliable, are seldom newspaper readers. Nor are those persons newspaper readers who habitually listen to and repeat the sort of baneful gossip that just now is being so persistently circulated to the disparagement of the American government and its allies in the war for democracy. Newspapers—not news organs—do not gossip. Their standing and success are in exact ratio to their adherence to the facts and their ability to tell all the facts. Policy, if nothing higher, dictates exhaustive inquiry by them into sources of news and a rigid truthfulness in the presentation of news. People who read newspapers and do not merely buy them to skim the headlines, people who steer timorously as far east as the editorial page are seldom or never caught napping by whispered slanders and poisoned innuendos such as recently have been going the rounds, to the injury of America, its allies, and the charitable and other agencies of war work. Do not merely buy newspapers—read them. It will repay you.

ADVERTISING

The Connecting Link.

The connecting link between the merchant and his customer is the newspaper advertisement. In it the merchant may make plain to the housewife or the househusband, the advantages of his store and the commodities he has to offer, in a way that would be impossible otherwise, because of the limited time, and the interruptions when the customer visits the store.

When people go out to shop, they want to get what they need, and go home again. They want the business news, but they want it when they have time at their disposal. You can give it to them through the advertising columns.
