YOUNG HERO

Tom Baxter, a lad of 14 Years, Assisted by Willie Houston, Rescues a Comrade From Drowning.

Yesterday afternoon a lads were swimming in the river to the rear of Drader's mill, South Chatham. After dressing, they were running the logs out to the boom, in the middle of the river, in order to reach the boat to cross to the north side, when a log which a young lad, named Vergil Perry was on, rolled, precipitating him into the river, and he was going tdown a second time, when a companion, Tom Baxter, a son of Wm. R. Baxter, plunged into the river after him, with all his clothes on. He caught the drowning lad by the hair of the head and getting the log steady told him to hang on, as his (Baxter's) clothes were getting heavy on him. He then climbed upon a log, but the log which young Perry was holding on commenced rolling and the lad was again thrown into the water. Young Baxter, seeing the perilous situation of the boy-under waterplunged in again after him and again brought him to the surface, where, with the assistance of Willie, son of Judge Houston, he landed him safely

on the boom.

A boat was brought by three boys and Perry was taken to shore in an almost exhausted condition. It was a miraculous escape and were it not for young Baxter's courage in plunging in after him, Perry would doubtless have been drowned. The authorities should recognize the heroism of the lad in a suitable manner.

HUTTON CHOSEN

Editor of The Tilbury News Selected by Liberal Executive as Customs

Collector. Special to The Planet. Tilbury, Ontario, June 13. - The

executive Liberal committee ! of he county of Kent met vesterday in Chatham for the purpose of recom mending a person for the position of customs collector in the village of Tilbury. It appears there were many applications, but they eventually simnered down to two, namely, Henry Richardson and W. A. Hutton, principal of the Public school. The figures were 15 to 12 in favor of Mr. Hutton.

The competition for the position was, as mentioned in yesterday's Planet, quite keen and the Liberal executive, which met in Secretary Thrasher's office, had a busy session. Mr: Hutton, editor of the Tilbury News and principal of the school there, was heartily endorsed by many delegates, but the following of Mr. Richardson and other candidates is said to have been very aggressive. five years and, now desiring to sell, has to get a deed from the original a harmonious union upon any one name; so the vote in question was Beach,. A prominent Maple City bustaken and the claims of Mr. Richard-iness man purchased a cottage and son and other applicants firmly and never discovered he hadn't a deed son and other applicants firmly and sedately put aside.

Mr. Hutton is well and favorably known in the Maple City, where he was for nearly two years engaged upon the staff of the Banner.

ARE CARELESS

Maple City Lawyer Thinks Some of our Business Men Very Much so at Times.

"The carelessness of some business nen is remarkable," said a leading lawyer in a talkative mood. "Busi ness men whom you would think methodical and whom you would imagine too cautious to do anything in an indifferent manner, are often the ones to do the most foolish things. I have known men who in their business wouldn't pay the smallest sum without a receipt, buy land, pay for it, and never get a deed of the property. A case in point came to my notice recently in the southern portion of the county, where a man sold 50 acres of land. The purchaser had it four or "A similar case occurred in connec tion with one of the cottages at Eric until he went to sell the property when he found that the deed was still

in possession of the original owner and and had never been signed. "These cases arise not so much from carelessness as that the transactions are outside the ordinary work of their everyday pursuits and their business occupies so much time that anything beyond the range of their everyday work easily slips from their mind."
