COMMENT AND GOSSIP

Hamilton is again in the lead in the international race.

If Promoter "Big" wants to see the tail enders make a showing, he should get Jockey Nichol to pilot the leaders for a few days.

No records at the H. J. C. yesterday. If the timers had known the weather was going to be so fine during the Hamilton race meeting they might have procured sun dials. The sun has shone every day.

One more day of horse racing. Then back to the ball yard.

Some of the talent had suggested that Punky's name be shortened to Punk.

Yesterday was another good day for those persons who played horse No. 5 on a hunch. No. 5 won four times and was second once and third once. Green Dale, the 60 to 1 shot, won No. 5.

Saratoga is an appropriate place for the World's "Temperance" Congress. Water was always the favorite drink up at the Spa for a chaser.

For some unexplained reason there was a disposition shown to keep away from Manzano, Grantland up, in the sleepstake Wednesday at Montreal, and the latter was a realising favorite. The stewards had a session with the jockey before the horses went to post and the latter put up a stirring ride. Manzano led for most of the trip and at the finish beat out the heavily backed Red Sox underdog by three lengths, and the sharpshooters were stung.

From St. Louis Dispatch: In the game that the Boston-Americans won at St. Louis the other day, 9 to 1 on six hits, the Browns had nine errors. Boston could never hit Waddell hard, but the Red Sox underdog, by taking advantage of the many openings given them by his unsteadiness and the bad fielding also came at the right time to cause a lot of trouble, and the triple by Thoney in the seventh inning was especially damaging. There was not a whole lot of feature news on either side, but some good base-running by Thoney was what stood out the most. This youngster brought cheers from the St. Louis fans several times by his clever work on the sacks. He is one of the fastest men ever seen in St. Louis.

Niagara Falls Gazette's "Empire Smith," it seems. He worked well here yesterday, dispensing decisions with a great deal of accuracy for one in the position. His barrier for the eventful struggle over the mile and a quarter for the \$25,000 purse and the honor of winning the Suburban of 1908.

Fifteen horses will sport silk for the race at their head habit, a gallant son of Viceroy-Cerrito, which by reason of his prowess, will be asked to carry to weight, 127 pounds. Ballot's stable mate, Celt, a fleet three-year-old Commando colt, which as yet has taken the dust only from the heels of the mighty Celt, is eligible, and if he goes will carry 106 pounds, and with either Ballot or Celt in a straight line, he will be the hardest of the Suburban Handicappers (Ballot, Garter, J. R. Keene hopes to win the Suburban race is won August Belmont's three-year-old Hastings colt Fairplay, which with 111 pounds up, horsesmen generally believe will take a lot of beating. Master Robert, Durante and King James, all high-class animals, round up the three-year-old division. In the older division come the old favorites, Montgomery, Frank Gill, Dandelion and Running Water, and the others, less famous for past achievements, but all in fine form for a grueling contest.

Following are the probable riders in the Suburban Handicap: Ballot (Garter), Montgomery (Miller), Frank Gill (Lee), Dandelion (Shaw), Running Water (Musgrave), Tourenne (McCahey), Fairplay (Dugan), Bluebook (Garner), Bedouin (McDaniel), Gold Lady (Shaw), Elbow (Brussell), Don Ensign (Gilbert), King James (McCarthy), Durante (G. Burns), Master Robert (Walsh).

Some men never borrow trouble, but lending money is a pretty good imitation of it. The lay man may be abed until noon, and then try to lie out of it.

Broken Lots

The horse-racers and their followers have played havoc with our stock during the past two weeks. Some lines gone entirely, and a great many odd suits—one or two of a pattern are left on our hands.

Nearly 100 suits in this lot. English tweeds and worsteds, English serges, domestic and imported chevots in new seal brown and light brown shades, silver and elephant grey, navy blue and black, fancy mixtures in overblends and checks, stripes and diagonals. Hamilton Lacrosse Team to Play Montreal Nationals. Little Paragraphs of Sport From Far and Near.

The management of the Hamilton Lacrosse Club is arranging exhibition games with some of the X. L. U. teams, so that Hamiltonians will get plenty of good lacrosse, despite the fact that the C. L. A. schedule does not call for many home games. Yesterday's arrangements were made with the Nationals of Montreal, for a series of two games, the first to be played in Montreal on July 1st, and the second to be played here on Saturday, July 4th. The Nationals are one of the fastest teams in the big league, and are harder to beat on their home grounds than any other team of the same class in the big league. The Shamrocks will not likely be seen here, as they want too much money for a game. The management is trying to arrange with the Capitals, of Ottawa, Cornwall and the Toronto teams, and it is practically assured that they will all be here before the season ends.

The locals had another good work-out last night, when every man was on the job and a real strenuous practice was held. Lalonde was in the nets and the defence men lined up against the home team, it was certainly no picnic tea affair, and the large crowd of enthusiasts who gathered to witness the practice was treated to excitement that was almost as keen as in a regular game.

W. J. Anderson's Miss Swift won the 222 paces at Seaford yesterday in straight heats. The best time was 2.22. The following players of the Y. M. C. A. lacrosse team are requested to be out to practice at the Cricket Grounds to-night: Pease, Gordon, B. Gordon, Murray, Abernethy, Mitchell, Schram, McAllister, Bawden, May, Casey, McFarlane.

The Junior Tiger lacrosse team will leave to-night on the 6.10 car for Burlington. On Saturday afternoon at 2 o'clock the East Hamilton first team will play the Wesley Church team. At 4 o'clock the second team will play the International Harvester Co. Games will be played on the grounds on Sherman avenue, opposite the Imperial Cotton Co.
