**THE MEDICINE HAT ELECTION**

The results from the bye-election in Medicine Hat can be taken as a popular endorsement of Premier Sifton and his colleague Hon. C. R. Mitchell.

The people evidently have faith in the ability and uprightiness of Premier Sifton and the members of his cabinet, and look hopefully to them to bring Alberta's affairs again up to a high plane.

Hon. C. R. Mitchell and his friends can congratulate themselves on the signal victory at the polls. From their point of view the result is much better than an acclamation.

The campaign was clean and free from objectionable features, and was creditable in this respect to both sides.

Mr. Mitchell's large majority will make him deeply earnest in his endeavors to do full justice to his high position, and also make him appreciative of the fact that his friends expect that he will put forward the best that is in him in the service of this province and of his constituents. Few young men in Canadian politics have ever got such a hearty endorsement under such peculiar circumstances.

Medicine Hat has a happy way of knowing when an election is over. We accept the verdict of the polls as it is given, and though we fight beforehand, when it is over, it is over.

Last night Mr. Mitchell's friends sensibly refrained from any attempt at demonstration or jubilation.

The Medicine Hat result should have a clarifying effect upon the politics of the province.—Medicine Hat News.

**LATE KING EDWARD**

A letter is published from the Archbishop of Canterbury to the Dean of Quebec under date of July 4th, referring to a paragraph in a New York paper reporting that King Edward died a Roman Catholic. The archbishop says the report is preposterous and baseless.

Sealed Tenders addressed to the undersigned and addressed "Tender for Supplying Coal for the Dominion Buildings," will be received until 4.00 P.M., on Tuesday, August 16, 1910, for the supply of Coal for the Public Buildings throughout the Dominion. Combined specification and form of tender can be obtained on application at this office.  
 Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signature.  
 Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10%) of the amount of the tender, which will be forfeited if the tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If a tender is not accepted the cheque will be returned.  
 The Department does not bind itself to accept the lowest or any tender.  
 By order,  
 R. C. DESROCHER,  
 Asst. Secy.  
 Department of Public Works,  
 Ottawa, July 8, 1910.  
 Newspapers will not be paid for this advertisement if they insert it without authority from the Department,

**CANADIAN TRIED TO SHOOT MR. JOHNSON**

Richard McGuirk Lost \$25 in Big Fight and Seeks Revenge With Shot Gun.

Chicago, July 8—Richard McGuirk, a St. Louis machinist, was arrested today after he had attempted to force an entrance to the home of Jack Johnson, negro pugilist. McGuirk was armed with a rifle. The police were called by excited neighbors of Johnson. They feared that McGuirk intended to kill the heavy weight champion. McGuirk is held in jail pending an investigation. When examined at a police station McGuirk said that he had lost \$25 as a result of the prize fight at Reno. He denied he intended to harm Johnson. On further questioning he said his home was in Brantford, Canada, but that he had been working in St. Louis for several months.

**SENT A BLOODY EAR**

President of Steamship Company Threatened With Mutilation.

Cleveland, July 4—Wrapped around a bottle of alcohol in which lay a bloody human ear, Harry Couly, president of the Pittsburgh Steamship Co., received a letter here, in which he was threatened with mutilation and death if he refused to grant the demands of the sailors who have been on strike for two years.

The man to whom the ear belonged to has already been identified as Edward Fraser, a non-union sailor, who was assaulted in Buffalo last Monday, and had his ear severed from his head by his assailants. He was picked up later by the police, dying from the loss of blood. Across his breast was pinned a sheet of paper inscribed "Don't be a scab."

**SEVERE STORM AT ABERDEEN, SASK.**

Aberdeen, Sask., July 8—The dry spell was broken by one of the worst storms ever experienced here. The crops were not damaged, but a number of barns were wrecked. The damage can hardly be estimated. Fronts were blown bodily out of doors in the town. The storm was followed by a heavy steady rain.

**FATHER KIDNAPS CHILD IN P.E.I.**

Charlottetown, P. E. I., July 9—A sensational kidnapping case occurred at Fortune Bridge yesterday.

In the morning Herbert Archibald, of Plymouth, and a stranger, drove up to the residence of Mrs. John Cavahan and tore from her arms her four year old girl, Agnes. They drove rapidly away and the police have not yet captured them. Mrs. Cavahan was formerly Archibald's wife, but they were divorced two years ago, both marrying again, she in Fortune Bridge to Cavahan, and he in Plymouth. On parting she took the girl and Archibald obtained the judge's order subsequent to the divorce to recover the girl also.

Henry Machon, of Murray Harbor, while shingling a barn, fell from the roof and died several hours later.

**DR. HYDE SENTENCED**

Kansas City, July 5.— Dr. B. C. Hyde, convicted of having poisoned Col. Thomas H. Swope, the millionaire philanthropist, was sentenced to life imprisonment at hard labor by Judge Latschaw in the criminal court here this morning.

**MISSING WOMAN IN WOODS FOR 30 HOURS**

Mrs. Jones, of River Glade, Found Sitting on a Tree Stump Crying—Does not Suffer From Experience.

Salisbury, N. B., July 7.—Searching parties who have been out all day looking for Mrs. Albert Jones, of River Glade, who disappeared from her home at an early hour this morning, have failed to locate her. She got up about 8:30 this morning, prepared milk and filled her baby's bottle and fed it. She then put some clothes on herself and started out. When her husband missed her a little later, he with a friend started in pursuit. They tracked her to a point of woods about a quarter of a mile from the house, when they lost the track. Parties have been searching all day. The work of draining the Jones mill pond and grappling is now in progress. Mrs. Jones, who is one of the most highly esteemed residents of this district, had been perfectly well, although she complained yesterday of a slight pain in her head. Her disappearance under such peculiar conditions is a mystery to her friends.

**N. S. FARMER TORN TO SHREDS**

Daniel McDonald of Loch Lomond Makes Desperate Fight for Life But Goes Down Before Hoof and Horns.

Halifax, N. S., July 8—Daniel J. McDonald of Loch Lomond, was gored to death by a bull while feeding his cattle in the pasture today. McDonald made a desperate effort to escape but every time he stood up the infuriated animal would level him to the ground. The man was finally torn to shreds. Irving Kamp, a German miner employed by the Nova Scotia Steel and Coal Company at Sydney Mines was instantly killed today by a fall of coal. He was thirty years of age and leaves a wife and child.

**GANADIANS CAPTURE GOV-ETED MacKINNON CUP**

Led at Every Range and Had a Lead of 41 Points Over Scotland Their Nearest Competitor.

Toronto, July 7—A Blesley cable today says:—Canada, today, won the MacKinnon cup, open to teams of twelve men, Scotland finishing in second place, 41 points behind the Canadians. The Canadian victory was an easy one, the team leading at every range.

Do it now! If you are convinced it is right and wise; otherwise wait.—It is not lack of opportunity but lack of initiative that holds men back. There are forty ways to bake bread says a Government bulletin. One right and thirty-seven wrong.

A French scientist says fowls have a language of their own. Several people also have foul languages essentially their own. Scientists are going to the Amazon to study electric eels, which are regarded as very curious because Edison has no patent on them.

**JOHNSON'S OFFER TO MEET LANGFORD ACCEPTED BY HIM**

New York, July 7—Joe Woodman, manager of Sam Langford, telegraphed here today that he had accepted the offer of Jack Johnson to meet Langford for a \$20,000 side bet, and asks that Johnson post his forfeit for the matter on the arrival here on Monday. Woodman wires that he will telegraph a deposit to bind Langford's end, as soon as he learns that Johnson's money is up.

**SHOOTING NEIGHBOR IN FIT OF RAGE**

A Near Tragedy in York County—Result of a Quarrel.

Frederick, N. B., July 7—Campbell Settlement, in the parish of Southampton had a sensation which almost became a tragedy last night, and which has stirred up the whole countryside. In a fit of rage growing out of some personal differences Harvey Dunlap shot Hiram Schriver, neighbor, while the two were on the highway road.

There had been some trouble between the men and Dunlap claims that Schriver had said something about him. The upshot of the whole thing was that Dunlap shot Schriver twice with a loaded buckshot.

Emond Bates was an eye-witness of the affair but when he saw the quarrel starting he left the place immediately.

Schriver was able to get to the residence of B. M. Dunham and there Dr. Coffin was summoned and found four wounds in one leg and two in the other. This morning a warrant was issued by the magistrate at Middle Southampton, who later started off to get a constable to place Dunlap under arrest, but the last reports stated that Dunlap had not been arrested.

**CAMP SUSSEX ENDS WITHOUT SHAM BATTLE**

Sussex, July 8—All danger to St. John from the formidable attacking forces is now at an end, and the winter port was saved today without a blow being struck by the defenders. When the troops fell in at about 6.30 o'clock this morning the weather was not very promising and before the first shot of the sham fight had been fired the rain was coming down in torrents and those in charge of the manoeuvres decided it would be the wisest plan to call off the fight and so peace was declared between the Blues and Whites and all hostilities ended in a most peaceful and Christian manner without even signing a treaty of peace. In fact the ending of the great sham fight at Camp Sussex is an example to the world at large of how a war might be prevented by all concerned simply deciding that it is too much trouble to fight and going home in a peaceable manner, especially if it rains.

**FRANK PATCH WINS IN STRAIGHT HEATS**

Defeated Thomas J. in Record Time at Woodstock.

Woodstock, N. B., July 8—A large crowd gathered at Woodstock Park this afternoon to witness the race. The conditions were excellent for the time, and the horses surprised the most optimistic followers of the track. The previous records for the track and for the Maritime circuit were broken by Frank Patch. The record had been held by Will Be Sure, 2:15.3-4, and was made at Chatham a few years ago. Today Frank Patch paced the last mile in 2:14 1/4, and many thought that he could have stepped it in 2:12 had he been forced.
