ELECTION DAY IN NEWCASTLE

Saturday, Election Day was quietly observed in Newcastle, and the weather was ideal for the polling of votes. From 8 o'clock a. m. until 4 o'clock p. m. a steady stream of electors wended their way to the polls which were held in the County Court House. The Independent Ticket supporters worked hard all day for the election of their candidates, while the Government supporters did not show nearly as much energy. Everything passed off good naturedly, and a large vote was polled. In the afternoon the women voters arrived in large numbers which helped to make the vote cast so large. The Labor supporters were successful in getting the majority of their friends to the polls and this accounts for the large vote polled in favor of the independent candidates. In the evening the Newcastle Band, headed by a few members of the local I. L. A. paraded the streets with their independent banner, and were followed by a large crowd of youngsters beating tin pans etc.

The band then occupied the Band Stand, and gave several selections. Some of the elected candidates who were in Blackville were expected to arrive in time to address the electors who had assembled at the Band Stand, but they failed to appear. However addresses were made by Hon. John Morrissey and Joseph Manderson of Newcastle, Thos. Barnett and Elmer Wood of Douglastown and George M. McEwen of Chatham.

The speeches delivered by these gentlemen were all along the same lines and at 10.30 p. m. the gathering dispersed.

TO SUBSCRIBERS

It is our intention to draw eight drafts on all subscribers who are in arrears to the Union Advocate. Before doing so, we would respectfully request those in arrears, to kindly send in the amount due by them at once. By so doing the necessity of drawing drafts will be eliminated. We have a large amount due us by subscribers, and have repeatedly asked for their remittances. Some have responded, others have not, and we are compelled to take the above measure. It costs money to run a newspaper, and since newsprint has advanced to such a high figure, we must collect our subscriptions which are in arrears.

When remitting kindly notice the date of the tag on your paper and not paid up to 1920, compute from date of tag to corresponding month in 1920, at \$1.50 per year, and thus be sure that your remittance is correct.

North Shore Fire Insurance Loss Totals \$365,000

Adjustment of the insurance losses on the plan of the Continental Lumber Company, at Charlo, destroyed by fire on September 21, discloses the fact that the fire was the most costly from an insurance standpoint in the province in recent years. The total amount of insurance carried was just about \$424,000, and in the adjustment which has just been completed the insurance loss was placed at approximately \$365,000, or nearly eighty-six per cent of the amount carried.

The approximate individual losses are as follows:
Continental Lumber Company, on the plant and contents, other buildings and contents and lumber on the premises, \$230,000 or about ninety-four per cent.
Goodday & Co. Ltd. Quebec, on lumber, \$49,000, or about seventy-five per cent.
Montreal Lumber Co. Ltd., Montreal, on lumber, \$17,350, or about seventy-six per cent.
Brownlee & Co. Ltd., Glasgow, Scotland, on lumber, \$6,500; or about fifty-five per cent.

The insurance companies were represented in the adjustment by E. Percy Howard, of St. John, E. L. Phillips, of Halifax, and D. D. Street, of Toronto.

The mill destroyed was one of the most up to date in the province having been constructed in 1914 to replace one which was destroyed after having been struck by lightning. The owners have decided to rebuild immediately and already the foundations are being laid for a new mill.

'Janie Canuck' Travels 'The National Way'

Toronto, Oct. 1st.—When the Canadian National Train from the West pulled in at the Union Station yesterday afternoon Judge Murphy, of Edmonton, known through the Dominion as "Janie Canuck," the authoress smiling stepped from the train.

She was on her way to the Canadian Women's Press Club, where she will preside as President. Along with her was Miss Evelyn Murphy, President of the Edmonton Women's Press Club, and Mrs. Price, of the Calgary Club, all of whom stated they had never had a better trip from the West. "Oh, we are quite contented to be going 'The National Way' via it," said Mrs. Murphy, who never made such good time and with decidedly comfortable steel coaches and courteous officials as this trip was altogether ideal." Mrs. Murphy stated that the entire delegation of the Winnipeg Women's Press Club would travel via the Canadian National to Montreal where the conference is to be held.
