SALMON FISHING CLOSED
The season for net fishing of salmon closed Tuesday. The season has been poor in most places on account of the very low water.

In Kings county the season's results have been fairly good, but from Kings county up the catch was not large, as the fish did not come up in the shallow water. As a result of the rains of the past few days the catch around here increased, some splendid salmon being caught. The season for rod and line salmon fishing in all the waters of the province, except Restigouche, does not close until Sept. 15th, and many good catches are looked for with the rise of water due to the recent rains.

BASE BALL
A snappy game of Baseball was played last evening on the Farrell Field between the Stothart Mercantile Co. Ltd and The Lounsbury Co. Ltd. Brown and MacKenzie was the battery for the Stothart Mercantile and F. Locke and Jessamin for the Lounsbury Co. Ltd. The playing of Mr. G. G. Stothart on 1st Base was a feature of the game as also was Jack Keating in Centre Field. Some National League plays were made and a number of the players are wasting their time behind counters, as they are eligible for good positions in the Major leagues. The score resulted in 11 to 9 in favor of the Lounsbury Co. Ltd. A large attendance was present who thoroughly enjoyed the game. At times the spectators were hilarious at some of the plays that were made, and could be heard shouting an laughing down town, a distance of half a mile.

CHATHAM DEANERY
The Chatham deanery met in session at Richibucto on Monday, Tuesday and Wednesday, August 8 to 10. Those attending, part or whole time, were the rural dean, the Venerable Dr. Forsyth, archdeacon of Chatham, the rectors of the parishes of Newcastle, Bay du Vin, and Richibucto, Rev. Cecil J. Narkho, curate of Chatham; Rev. W. B. Williston, returned missionary on furlough from China, and H. E. Shadick, student-in-charge of Harcourt and Welford. The proceedings commenced by a "quiet hour" on Monday evening in St. Mary's church by Rev. W. J. Bate. On Tuesday the holy communion was celebrated at 8 a. m. by the archdeacon. From 10 to 12 a. m. the Greek Testament was studied and a scholarly paper on "Examples of faith found in the Gospel" read by Rev. C. J. Markham. In the afternoon Rev. H. Heskith furnished much discussion by his very interesting paper on "Mixed Marriages and Divorce." The evening was given up to a missionary meeting, held in the Chapel-of-Ease, when addresses were made by the archdeacon and Rev. W. B. Williston on missions, the former speaking from a diocesan home standpoint—the latter from a foreign especially mentioning China. On Wednesday morning the holy communion was celebrated at 8 o'clock by the rector, the Rev. J. Carlidge. At the morning sitting H. E. Shadick gave a very lucid and comprehensive sketch of the conditions of work in the mission of Harcourt and Welford. It would be a fine thing if Mr. Shadick could give the same account to the committee of the board of missions. The afternoon was given up to recreation. Evensong was said at 8 o'clock and the sermon preached by the rector of Newcastle. The visitors were most hospitably entertained by the rector and Mr. Carlidge and the parishioners. It is expected the next deanery meeting will be at Doaktown in October.

Guard Baby's Health In The Summer

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic diarrhoea and dysentery, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to banish them. No other medicine is of such aid to mother during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

PRESENTATION TO MISS MENZIE

A number of girl friends of Miss Edna Menzies gathered at the home of Miss Annie Cassidy on Monday evening to bid fare-well to Miss Menzies and present her with a beautiful French Ivory Mirror, on the eve of her departure for Lawrence, Mass., where she intends taking up the study of nursing. An enjoyable evening was spent by all present and the following address was read by Miss Margaret McCurdy.
Newcastle, N. B.
August 22nd, 1921
Dear Miss Menzies:—
We have learned with deepest am-

tion your intention of leaving us soon to take up your preferred vocation in the friendly nation south of us. We know that your happy disposition will enable you to make a success of your chosen work and we, your girl friends and associates desire to express to you our best wishes throughout the future years. We cannot, however, allow you to depart from our midst without recording our sense of loss, your going away means to us. In all our pleasures and endeavors you have taken a fore-most part and we recognize the vacancy that will be made in our ranks. You have been at all times

ready and willing to share with us in our prosperity and adversity, and we could always feel confident of your support in every undertaking. To say that we will miss you, is only the expression of our lips, while at heart, we feel more deeply, than words can express, the sincere regrets we have in seeing you depart from our town. In leaving us, we would assure you that our very best wishes accompany you, and sincerely hope that your future may be happier and more prosperous than ever your past has been.

As a small token of our esteem and

good will, we kindly ask you to accept this French Ivory Mirror, as a memento from your Newcastle girl friends and associates.

(Signed) Margaret McCurdy
Miss Menzies was completely taken by surprise and in a most pleasing manner warmly thanked her friends for their kind remembrance, and assuring them that, go where she might she would never forget the enjoyable days spent in Newcastle with her associates who had made possible the enjoyable evening. Miss Menzies leaves on Thursday for Lawrence, Mass. to assume her duties.
