LUMBERMEN DISCUSS NEW SCALING METHODS

At the meeting of the New Brunswick Lumbermen's Association held in the Board Room of the Brunswick Hotel Tuesday afternoon, a petition which had been previously drawn up by the Association and presented to the Provincial Government some time ago, was under discussion. The petition suggested certain changes in the methods of scaling lumber which the lumbermen thought would be more economical both for the province and the lumbermen. It was to discuss this petition and also to discuss lumber conditions generally that the meeting was held with Hon. C. W. Robinson, Minister of Lands and Mines.

It was in the nature of a round table talk and the matter will be discussed with the government later, it was stated after the meeting.

In the evening in the Brunswick there was held a regular meeting of the advisory board in connection with the department of Lands and Mines.

BATHURST WINS McLELLAN CUP

The curling championship of the Maritime Provinces was clinched by the Bathurst Club Wednesday night when they defeated Fredericton by the handsome margin of seventeen points in 56 to 39 score for the custody of the McLellan Cup.

Fredericton winners of the Blair trophy, made a great fight for the title for more than half the distance, but once the Bathurst curlers secured the edge they settled down to a spell of magnificent play and piled up a score that the visitors could not rival.

Accompanied by their mascot, a jack rabbit, which occupied the place of honor on the board between the two centre sheets of ice, the Fredericton curlers started out in great style, going up to the eleventh end the game.

Up to the eleventh end the game was a thriller. Fredericton started off with the lead, and kept it for a period that rendered the supporters of the Bathurst club silent and uncomfortable. Their lead ranged from four to seven, with Mackay and Stout on the short ends of the score boards against Belmore and Judge Limerick.

Thibodeau on the other hand, kept ahead of Mr. Hatt and the club supporters began to pin their hopes upon him establishing a majority large enough to offset the deficits which seemed to be the portion of his fellow skips.

In the eleventh, however, the tide turned, Stout and Mackay recording three-enders. Stout and Thibodeau were now leaving their opponents and Mackay was well within hailing distance of Mr. Belmore.

From the half distance the issue was practically settled. Thibodeau, playing a grand game, forged steadily ahead against a great aggregation of curlers; and Stout, after a brilliant four in the eighth which shot him out in front for the first time, started after a long tally which ended in him defeating Judge Limerick by 23 to twelve. Mr. Mackay trailed Mr. Belmore for a long time in a terrific struggle, the points in which, for the most part, came in solitary units.

Yet, at the seventeenth, he found himself in the lead by 16 to 15 and hopes ran high that a three rink triumph would result. It was not to be however, for on the last end his opponent came back and registered two winning a great contest by the odd shot, 17 to 16.

Much of Stout's margin was won on the last end where he laid five stones. Before he threw his last stone he had four in the circle, and he experienced no trouble in adding another.

PARLIAMENT WILL BE CALLED TO MEET MARCH 8

Ottawa, Feb. 3.—Parliament will be summoned to meet on Wednesday, March 8. It was announced following this afternoon's meeting of cabinet council, which lasted until after 7 o'clock in the evening. The first day's business will be limited to the election of a speaker, while the formal opening, with the delivery of the Speech from the Throne will take place on Thursday, the following day.

The choice of Wednesday and Thursday as the opening days of the session is understood to have been made because of the fact that there are so many new members coming into the House this year. A very large number will be strangers to Ottawa and also to the parliament buildings, and it was felt that by meeting on Wednesday and adjourning, probably Thursday night until the following Monday before the debate on the address in reply to the Speech from the Throne is begun these new members would be given a chance to get settled in lodgings and also to become acquainted with their locations in and around the parliament buildings. Monday, two days earlier, had been favored by some members of the cabinet as the opening day.

The names of the mover and second of the address have not yet been announced. The new Speaker of the Commons will be Hon. Rodolphe Lemieux, member for Gaspé as announced by the Prime Minister some time ago. There will also be a new Speaker of the Senate, but it is understood that no selection has been made for that position yet.

Mr. J. G. Stout took occasion to point out that Bathurst curlers were undisputed champions—until next week, when Amherst will have to with a challenge for the coveted trophy. Mr. Stout also spoke upon the value of the trophy to the curling game and elicited hearty applause by pointing out that the custody of the McLellan Cup had done much towards placing the town of Bathurst on the map. In a curling sense Bathurst was the real "hub" of the Maritime provinces, he said and it was a good thing to know and to realize that their curling friends and opponents throughout the country took full cognizance of the fact also.

MIRAMICHI HOSPITAL
A meeting of the Miramichi Hospital Board was held in the Board Room yesterday afternoon at 3 o'clock.

CAMPBELLTON WINS BONSPIEL

With a total score of 229 for the two days' play the Campbellton Curlers won the North Shore Bonspiel on the North Shore Bonspiel Cup. Bathurst, which won their first hold on the trophy last year, was second this year, with a total score of 214. Newcastle was third with 204; Chatham, fourth with 193, and Dalhousie last with 153. The trophy was put up for competition for the first time last year and, according to the terms of presentation, it is to become the permanent property of the club winning it three times.

The clubs stood in the same order at the end of the first day's play as they did at the conclusion of the bonspiel. The standing on Thursday was Campbellton, 120; Bathurst, 110; Newcastle, 101; Chatham 83; and Dalhousie, 59.

The skips on the winning Campbellton club were: Thomas Wran, R. J. Shives, M. M. Mowat and H. J. Milligan. The other skips were as follows: Bathurst: E. V. MacKay, C. H. Ellis, N. Thibodeau and J. G. Stout; Newcastle: E. Dalton, J. R. McKnight, P. Brown and J. Stewart; Chatham: W. H. Snowball, R. A. Snowball, J. E. Michaud and M. M. Jardine; Dalhousie: J. B. MacKay, J. B. Troy, J. Barbour and F. Barty.

A pleasant time was enjoyed by all those in attendance at the bonspiel. A banquet was held on Thursday evening and at the conclusion of play a dance was held in the Dalhousie curling rink.
