The weekly session of the Council Board was held yesterday afternoon. Defective drain in Shaw's Lane, complained of by J. S. Ayre, will be attended to. Harvey & Co. asked for water pipe from Forest Road to Factory Lane. Will be installed immediately. Complaint of a filthy gully on Barter's Hill, was received from J. Cochrane. Engineer will act. M. Quigley, Hoytestown, was given leave to repair house. Mr. Norman must submit plans before being able to start building dwelling. J. C. Oke, Forest Road, and J. Emberley, Wood Street, were given permission to repair house. J. Parsons asked to use garage lately owned by Mr. Drayton. Referred to Engineer. Some Council employees complained of being stopped payment for Empire Day. Councillors Ryan and Mullaly moved that the men be paid and for the king's birthday as well. J. W. Morris, of the R. N. Co., wrote saying that owing to unforeseen circumstances, the sprinkling car was unable to go over the belt line at present and that in two weeks time the line will be in proper working order. Some criticism followed. R. Hopkins claimed \$1,758.60 amount due him since Water Street tunnel was constructed in 1888. Council does not entertain claim, as all records were burnt in fire of 1892. The Mayor reported that he had a conversation with the Inspector General of Police as to motor speeding. The latter suggested that motor vehicles should not be allowed to be used on Sunday from the C. E. Orphanage on Military Road to the White House on LeMarchant Road. The Mayor was not in favor of such a restriction. He thought that to lessen speed would be a better idea. The Solicitor reported that the Council had power to close any street from vehicular traffic, if necessary. Councillor Mullaly endorsed the suggestion of the Chief of Police. Councillor Ryan supported the observations of the Mayor. Councillor Conker spoke along similar lines. Councillor Mullaly moved that the use of private hoses be from 8.30 to 9 a.m., and from 1.15 to 1.45 p.m. There was no seconder. The installation of lights on Boncloddy Street and Main's Lane were recommended by the Lighting Committee. Councillor Mullaly presented a petition from residents of the North Battery, for a light. Some cross-firing then took place between Councillors Myrick and Mullaly, and the latter's motion was referred to the Board of Works. Solicitor Gibbs submitted proposed change of regulations for cab drivers. The meeting closed at 6 p.m.

Special to Evening Telegram. CALCUTTA, June 6. The seditious plot which recently was discovered at Paris, proves to have been more serious than at first suspected. Forty-four prominent Bengalese have been arrested. Much ammunition and important documents were found in the search by the police. Later indications are that there was a plot for the Schemesedues, Gurkha, Mahatta and Punjabi troops to promote a wholesale massacre of Europeans.

CURES INDIGESTION & DYSPEPSIA IN ALL ITS FORMS.

It is quite a daily occurrence to hear persons say: Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden. Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a bottle of Prescription "A". Ancient and Modern

I read a modern story of deeds in distant lands; and every page was glory, and sword, and battle, and a were whacking men to pieces; "c o n f o u n d," I said, "this tale; such waste of elbow grease is, methinks, of no avail." Said Dad, with gentle diction: "Why spend your hard-earned cash for modern works of fiction, when all such stuff is trash? Why read of bloody murder and crimson men of wrath, when such stuff takes you further along the downward path? Go, read the grand old masters! They're better for you, Jack, then patent sticking plasters, upon an aching back. The man who reads poor novels when there's so much that's fine, is like a serf that grovels in some unlighted mine; he's like a cheap beachcomber who claws the mouldy rocks; go, find your dusty Homer, and read the stuff that knocks." I dug of Homer straightway, and held him in my hand, and said: "He is the gateway to all that's fine and grand." His wondrous, mighty story I shall not soon forget; for every page was gory and reeked with blood and sweat. His heroes swung their bulges and brained their shrieking foes, and soon I had the willies and other things like those. I wearied of the squirming of men with broken limbs; I'm reading now some sermons washed down with Sankey's hymns.

Broke Quarantine.

Last night a man residing the house quarantined for small pox on Prince's Street, came to the door and asked the man on guard to fetch him a pail of water from the fountain near. The latter did so and was hardly left the door when the other bolted and made for parts unknown, but was captured after some time by the police. The man's proceeding was a highly dangerous one and might mean the dissemination of the disease amongst hundreds who otherwise would escape it. When the house is released from quarantine the delinquent no doubt will be fittingly punished.

Last Night's Football Match

Collegians Go Down to Defeat in Fast Game with C. E. I.—Score 3 Goals to 2.

The second game of the League series was pulled off on St. George's Field last evening before a large and enthusiastic gathering of spectators and resulted in the Collegians, who were the popular team among the fans, accepting defeat from the C. E. I. after a hard struggle. The game was fast and exciting. All things considered the game was good and a lively and interesting exhibition was served out to the on-lookers. The following was the line-up:—

C. E. I.—Goal, Voisey; backs, J. Hussey, R. Stick; halves, Drover, Fox, Oliver; forwards, N. Churchill, S. James, Bartlett, Evans, E. Churchill. Collegians — Goal, Noseworthy; backs, Thomas, Barrett; halves, E. Barnes, J. Pike, T. Sparkes; forwards, H. Barnes, C. Quick, Hutchings, Quick, Smallwood.

THE GAME.

Winning the toss of the coin the Collegians decided to take the advantage of a strong breeze that blew from the direction of the west. However, the Institute boys opened with a dash and quickly broke through their opponents' ranks. They succeeded in getting a corner but nothing of a startling nature happened. This aroused general enthusiasm and for a while great excitement prevailed. Barnes drove the ball east where it was captured by Quick, who combining with Hutchings, made an effort to beat the C.E.I. goal-keeper but did not succeed. The ball was kept in Institute quarters with the Collegians straining every nerve to score. Hussey in clearing lost to Smallwood who sent a well directed shot for the net but Voisey was on the alert and cleared in splendid style. Then the Institute lads took a run up field. Churchill and James displayed clever combination. The latter called upon Noseworthy who caught the ball and dropped it again. A scrimmage followed in the Collegian goal but nothing materialized. Barrett sending the ball to mid-field. The C.E.I. continued the attack and bombarded the goal of their opponents. They tried all means to get first blood, but their efforts proved futile. Soon after the Collegians took a hand in and reversed play. Hutchings controlled the ball and was making good progress when James infringed and a free kick was awarded the Collegians. Ned Barnes neatly placed the ball on the head of Quick, who lost no time in dropping it in the net. On resuming the College boys seemed to have it all their own way and succeeded in getting a second goal to their credit through Smallwood. The C.E. I. prevented any further scoring and defended well.

SECOND HALF.

After the usual interval the teams again faced each other. Play opened lively, the C.E.I. assuming the aggressive. The entire back division of the Collegians were kept busy. Eventually in clearing the goal, Thomas handled the ball and a penalty kick was awarded the Institute. James performed the duties necessary and landed the leather in the mesh. Continuing their onslaught, the Institute lads put on every ounce of energy. They had many chances that were not availed of. The Collegian forwards made a few fine runs but were driven back by Stick and Hussey. Five minutes before full time was announced, Churchill and James were instrumental in notching up the second goal for the C.E.I. It now looked to be a draw. Play became fast and furious with the Institute boys having honors in their favor. Just before the final whistle, James had retired for repairs to his eye, registered another goal and the game ended C.E.I. 3 goals; Collegians, 2.
