### Hr. Grace Notes.

A baby boy was born to Mr. and Mrs. A. L. Collis yesterday, Feb. 11th. Congratulations.

Mrs. Ellen Smith, died early on Thursday morning after a rather lengthy illness. The funeral took place on Saturday when the remains were interred in the R. C. Cemetery.

The first skating carnival for the season will take place on Wednesday of this week, weather permitting.

Mr. O. Leach, manager of the H. G. Boot and Shoe Factory, accompanied by Mrs. Leach, left by Saturday's evening train on a business trip to the United States and Canada.

Each of the employees of the Harbor Grace Boot and Shoe Factory were given a cash bonus on Thursday for the valuable services rendered by them during the past year. This way of cementing the interests of employer and employees seems to us to be the genuine way of appreciating faithful services on the part of the help. We understand that the company had a successful year.

Miss Hilda Wareham, daughter of Mr. W. W. Wareham, a popular business man of Haystack, P.B., arrived by Saturday night's train, and will attend school here for a time.

We are experiencing a little touch of winter weather here to-day, just enough to remind us of the good old-fashioned winters that some of the old folks delight to tell us about.

The ladies of the Methodist Church are arranging for a 10-cent tea to take place in Coughlan Hall, on Thursday of this week.

The ladies of the W. P. A. wish to thank the Teachers and pupils of Victoria Street School for the sum of \$50.00 to their funds as a result of the very pretty and successful concert held in St. Paul's Hall on Tuesday last. The children are all delighted to be able to help the great cause along.

Several gentlemen of town made a collection last week for a couple of poor old women who were living in great poverty in a house that was said to be unfit for human habitation. The kind gentlemen succeeded in getting the old ladies into more comfortable quarters and otherwise providing for their wants. Such kindness is certain of reward. One of the old ladies has since passed to the Great Beyond.

The teachers and pupils of the C. of E. High School are arranging to give us a pleasant evening on Shore Tuesday, and also to give us an opportunity of helping the Patriotic Fund as well. Teas at 10 cents will be served as usual; candy and "Lucky Pie," for the children; a fancy stall with a nice lot of hand-worked centrepieces, tray cloths, pin cushions, doyleys, aprons, etc., and a nice assortment of fancy articles, knitted bags of silk, etc. And for the boys a "sample stall" where biscuits and candy will be sold. Also a shooting competition. Admission 5 cents. All who attend will be considered patriotic as one-third of the proceeds will be devoted to the Patriotic Association. Keep the date open and see that you are there.
