Mystic Seven.

The number seven appears always

to have had some peculiar significance. On the seventh day of the seventh month a holy observance was ordained to the children of Israel, who feasted seven days and remained seven days in tents. The seventh day was supposed to be the Sabbath, or rest for all, and at the end of seven times seven there was to be a jubilee. Jacob served seven years to win Rachel for his wife The Savior spoke seven Not until the sound of his foot- times from the cross on which he hung seven hours. In Scripture there are seven resurrections, mentioned. In the Lord's Prayer there are seven petitions. There were seven mysteries of the apocalypse revealed in the seven churches in Asia. In Revelashe went direct to her own apart- tions there is described seven lambs golden candlesticks, a book with seven seals, seven angles with seven trumpets, seven players, seven vials of wrath, seven kings, seven thunders Sir Charles Hasting's wife—the and a dragon with seven heads.
