QUERIES ANSWERED.

Cellar.-Can the tenant of a house whitewash the cellar and charge the cost to landlord? Ans.-No.

Tara.-Can a tenant of a house in which access to all rooms are from the hall cut a hole in the plastered wall and place a door in it and charge the cost to owner? Ans.-No; the tenant is liable for damages to the owner, who has a right to have the plastered wall replaced.

Horse.-At an auction a horse was sold at a certain age, the purchaser morden and Winkler. At the last two passed his note, but in a few days passed his note, but in a few days found out the horse was a year older than represented. He returned the horse, but did not get his note back. Can he do so? Ans.—Not upon the facts as stated, but you had better consult a lawyer in case you fail to settle the matter between yourselves, which is the better course for both

Mitchell.-If you can't catch the hens so as to impound them, you have a common law right to shoot or other-wise kill, or disable them from trespassing on your property. The town bylaw should provide that parties altheir poultry to run at large are hable to be fined, and if this is the case you can proceed against your neighbor in that way. If the bylaws do not so provide, you should apply to the council to pass the necessary by-It is not material whether you notify the husband or wife, or otherwise, verbally or in writing; or whether you give any notice except as a matter of courtesy, but the giving of notice would, no doubt, make your case stronger in a prosecution before a fore it. Logs of all descriptions were of the town, you have a right to occupy and enjoy possession of your property from your neighbor or his

The Freeholders Will Vote on the Sewage Question.

Council Approves the Board of Health's Report.

Council last night, and it is now in

or not. The special meet last night was attended by all the members except Ald. Garratt. After some general A Blandford Farmer Killed by a business had been dispatched, the report of Dr. Cl. T. Campbell, chairman of the Board of Health, was read. Then a map of the city, showing the courses of the sewers under the new plan, was spread before the eagle aldermanic eyes. It was interpreted by Dr. Campbell and Mayor Little. After a critical inspection of the aforesaid map, the aldermen resumed their

seats. The rain accompanying it fell in tor- the report be received and adopted, and that No. 2 committee be instructed to at once take the necessary steps and procure plans for submission to the Provincial Board of Health; also to make such preparathe assent of the electors.

About a mile west were the barns of John Porter, which were also struck by lightning and destroyed, sured in the Downie Mutual for \$1,500. Two valuable horses belonging to John Dunseith, Downie, were struck and killed in the pasture field.

Alex. Telfer and family, residing near Avonton, had a very narrow call for their lives. Lightning struck the house, giving the inmates a severe shock. Fortunately the electric spark did not ignite the building.
The barns of Wm. Smith, Blanshard,

Brock, Usborne, near Woodham, and John Ward, Fullarton, were struck of payment unfair. It was not right A Woodstock dispatch says: The severest storm that this district has acre. The payment should be proporenced in years struck the town last (Tuesday) night. A number of benefitted. buildings were struck by the light-ning, including one of the public

statutes defined the method of payschools. The sky was red with the ment and the council had no power to change it.

News comes from Blandford town-ship that Edward Good, a farmer, was killed by a bolt while endeavor-Yeas-Ald. Taylor, J. Heaman, Carrothers, Powell, Skinner, Wm. Heaing to put out a fire in his barn. Mrs. Abell, a Woodstock lady, whose house Parnell, McCallum, Gerry-12. was partially wrecked, is lying seriously ill today from the shock. The Nays-Ald, Pritchard,

during the storm, in some cases smashing windows. Reports continue to be received of damage done under consideration.

Reports received by members of the discussion. Winnipeg Grain Exchange indicate that the damage done to the crops by hail on Saturday and Sunday was very considerable. Wherever the storm struck the grain was more or less injured, and in some instances reports say farmers had their crops almost As far as can be learned, the discould not be kept in order. tricts in which most damage was done were Oak Lake, Hamiota, Cypress, Glenboro, Holland, Baldur, Somerset,

points the loss will be particularly heavy, the storm there having been even more violent and destructive than when it was the sewage could be run

A Central Lake, Mich., telegram Ald. Dreaney, who had just arrived says: A furious storm struck here last presented the written opinion of Dr. Gardiner, formerly of the Board of night, breaking up booms of logs and Health. The doctor said that 165 acres would only purify 2,500,000 gal-Wix- Health. om's circus was giving a performance. The main tent was torn from its fastenings, and fell down on the heads of the people. Everyone got a soaking, gallons daily, and yet Farm A, containings, and self-day of the people. and some are looking for their hats yet.

A TIDAL WAVE.

Solutions daily, and yet rather than sisting of only 30 acres, was the only suitable area, "B" and "C" being liable to floods. There were other services the solution of the services and the solution of the services are suitable area, "B" and "C" being liable to floods. A telegram from Port Austin, Mich., says: About 7:30 last night the sky

The Polling Places and Deputies Named

Reassuring Statements by the Mayor and Dr. Campbell-General Business Transacted-No Bicycle Livery License.

The all-important sewage question was advanced a stage by the City the hands of the omnipotent freeholders, who will on Sept. 2 next declare, through the ballot box, whe-Many Buildings Struck by Light- ther they will have the new system

Ald. Carrothers opened the ball by moving the following resolution: That tions as may be necessary that the work may be commenced without delay, as soon as the bylaw receives

Ald. Nutkins was the first objector. According to the plans presented to farm buildings.

The first storm that came up appears carry in East London. The creek to have been very destructive in the was shallower than represented by the eighborhood of St. Marys and the engineers. He was satisfied the rateless payers would not favor it unless the sewer was at least 9 feet below the roadway on Queen's avenue at Que-bec street. He had seen the water up to the level of the road there. Mayor Little explained that the Downie, with grain, hay, implements, Mayor Little explained that the horse and harness were destroyed. Indrawing off storm water. That would be done by separate drainage.

Dr. Campbell said the objection raised by Ald. Nutkins was a matter for the engineers. He assured Ald. Nutkins that there was no place where the intercepting sewer ran would the cut be less than 11 1-2 feet deep, and in many places it was 15, 17 and 20 feet deep. Immediately on the creek bank there might be difficulty in draining a man's cellar, but no man was going to build on the creek bank where it was flooded personner. creek bank, where it was flooded per- thereto. haps twice a year. It would be that the petition of Mrs Virtue be cheaper to bank up the creek to a granted by remitting half of 1896 height of 11 feet than pay for the extra cost of pumping, which would "The William | be some \$8,000.

that a man with only 20 feet frontage on Dundas street should pay 30 40 times the amount paid by a man in the suburbs owning half an tionate to the amount of property

The bylaw was read a second time, and the date of polling fixed for 2nd

of September. BICYCLE LIVERY LICENSES. The council had some general business sandwiched with sewage.

The city clerk reported that City Clerk Bevins, of Toronto, had written that no license fee was imposed on bicycle liveries in Toronto. This was fh a reply to a query by the local coun-Mann & Co. wrote saying that they

would have no objection to a bicycle license fee of \$25 if they were granted the same privileges as a livery stable license. They asked that, under the license, anyone hiring a bicycle and keeping it past the time allotted or damaging it in any way should be liable to detention until the damage was paid. The letter was filed, and it is not

likely anything further will be done in the matter of licensing bicycle liver-

HUGH SHARKEY'S REQUEST.

Hugh Sharkey, who leases the barber shop in the City Hall arcade, which is about to be turned into civic offices, wrote to the council, asking some re muneration for his expenditure in improving the premises during the long time he had been the tenant. His outlay he estimated at \$1,000, for which he could produce the receipts, except for the carpenter work. He asked \$200 and rent free until Aug. 10 as compensation. Owing to his expenditure, he said, he had not been able to save any money to fit up new premises. The communication was referred to No. 1. with power.

Applications for the admission of Grace Griffith to the Aged Peoples' Home, and John Brown to the Home for Incurables, were referred to the mayor and inspector. Mr. Brown has cancer of the face.
