was the best object lesson on single-chamber government. "Lord Morley has threatened the Lords through-out," he thundered. "It has been suggested that the King has been applied to to make as many peers as are necessary to force the bill through this House. To put it plainly, I regard the suggestion as a gross vio gard the suggestion as a good plation of parliamentary decem-When I was a young man the King name was seldom mentioned. Aft the bill is passed this will be a me apparition of the House of Lords. ald be long before I would conser

Climes from Teheran says it is reportd that Sipahdar, the new premier
and leader of the Nationalists, has rereived a telegram from the ex-shah,
ordering him to maintain order until
he ex-shah arrives in Teheran, Sipahdar replied that Persia obeyed the
constitutional monarch and would
never tolerate pretenders.
The incident has a peculiar plquanty, as Sipahdar's loyalty to the constiution, the dispatch says, has not been
entirely above suspicion.

184 DUNDAS STREET, LONDON.

Graduate Pharmacists only fill prescriptions here.

Port Colborne, July 21.—At half-past 11 last night, a Grand Trunk engine and tender tumbled over tumble over the way towards meeting the Government. They had endeavored to recast the bill in such a way and outless that the opinion of the country had changed on the subject of home rule, if that were true, why not give the people an opportunity of saying if they desired a change? Lord Lansdown pronounced in favor of the passage of the third reading of they desired a change? Lord Lansdown pronounced in favor of the passage of the third reading of the passage of the passage of the third reading of the passage of the pa

He never recovered consciousness, and died yesterday afternoon in the hospital. He was a son of Mr. John Collier, of Petrolea, and besides his father, is survived by two brothers, Messrs. Lorne and Leonard Collier, of Petrolea. The funeral was held this morning from Griffiths' undertakingrooms to the G. T. R. station, and interment will be made at Petrolea tomorrow.

mome rule. He warned the House that the loyal Protestants and Union lets of Ulster would fight for their liberties before they would subt to a home rule parliament.

The Earl of Dunraven thought that the bill in substantially the present form would fit the case. He was convinced that if a sound home rule measure were submitted to the electors they would approve it, but it must be framed on federal ilnes.

A fillip was given to the proceeding by a merting of insurgent peers under the leadership of the Earl of the was converted that it has easily a meeting of insurgent peers under the leadership of the Earl of the was expressed to the house of hours, a fillip was given to the event that the research of the was expressed common struck out the house of hours, and insured the expectation of a host of new barons.

"The last ditchers," therefore, have not been squared yet; so the read crisis may still arise on July 25, when the bill as originally drawn up by the cabinet is returned to the House of Lords for final acceptance or refer Heights.
