300,000 DOCKMEN ARE CALLED OUT

London, June 10.—Three hundred thousand transport workers in this island will give up their jobs, and all foreign and coastwise shipping will be tied up indefinitely, if the union men obey the orders of the general council of the Transport Workers Federation, which tonight sent telegrams to every port in England, Scotland and Wales calling for a national strike.

The shipowners today decided to reject a compromise, the terms of which the Government has been attempting to arrange. The principal points of the Government's proposals were a general organization of the employers to treat with the unions, and money guarantees by both sides as insurance against violations

The employers maintain that their interests are so diverse that any organization embracing all would be impossible; they consider the cabinet's proposals, particularly the financial feature, impracticable, and set their faces strongly against giving a labor monopoly to the unions.

OFFICERS FOR THE PLAYGROUNDS

Organization Meeting Held in the Auditorium on Monday Evening.

G. S. GIBBONS, PRESIDENT

It Is Hoped To Secure the Money Returned to London Roberts Chapter, D. of E.

The organization meeting of the London Playground and Recreation Association was held in the Auditorium last night. The attendance was not/very large, but those who were present were very enthusiastic, and Dr. Curtis, later in the evening, said that the meeting was about the average size of the organization meetings in other cities.

Rev. J. G. Inkster acted as chairman and presented the report of the nominating committee, which contained the names of those that had consented to act as officers for the coming year. The report was adopted, and the officers are as follows: Honorary pres idents, Sir George Gibbons, Sherifi Cameron, Hon, Adam Beck, John M. Gunn, chairman of the board of edu stion Mayor Graham and Senato Coffey; president, Mr. George S. Gibpens; vice-presidents, Mrs. H. B. White, and Rev. J. G. The constitution with a few slight amendments, was adopted as read. The purpose of the association, according to the constitution, is to promote wholesome play and recreaion for the children and adults of the city. This plan will be carried out by securing adequate and appropriate yards in connection with the schools, the use of the school buildings as social centres, and the establishment and maintenance of playgrounds for athletics, swimming and other forms
