As Seen From the Press Box

Berlin may have occupied the celar position for practically all season and may be only one remove from that posish now, but just the same the Dutchmen have a real ball team.

Bramble's flinging vesterday made the fans sorry that Deneau had not grabbed off the Berlin star earlier in the season when Keenan was willing o let him come to London for two of the heavers Deneau afterwards let go for nothing.

Linneborn, Dunlop and Bierbauer oulled a neat double play in the third. 0 Burns, left gardener for Berlin, had 0 fouled out to Bierbauer, Craven had Defeat Hespeler in Intermediate Series 0 drawn free transportation to first, the O only pass issued by Heck, when 2 Sweeney hit to Linneborn, Linny 0 snapped to Dunlop, who covered the second sack, and who in turn heaved at Hespeler yesterday, Fergus initial station.

Dinsmore, the home brew, who was only Dutchman to get as far as third. first defence, Weddick second defence, was also the only member of the White aggregation to negotiate the lop, Neale, Reidy. Stolen bases—Dinsmore, Linneborn, Dunlop. Double plays— paths under Matteson's nose, having Linneborn to Dunlop to Bierbauer. Bases on balls—Off Bramble 0, off Heck 1. stolen second in the second frame, paths under Matteson's nose, having Struck out-By Brambie 2, by Heck 7. Passed ball-Matteson. Left on bases after getting a life at first on Dunlop's error. A passed ball by Matteson that got Getsie to first, after he had swung at three, advanced Dinsmore to third. Bramble skied, and left the local boy stranded.

> The luck was with Dinsmore yeserday. He was the only Dutchman o get to first on errors, and did that wice-in the second and ninth frames Furthermore, he was the only one to steal, and was one of the four who managed to get a hit off Heck, and the only one to reach third. His hit was one of the Alphonse-Gaston type, It was his second time at bat, and placed a high one that dropped in right field between Stewart, Bierbauer and Linneborn, who all raced for it. It would have been an easy out for any of them, but with three after it the blow went for a safety.

Heck was working like a clock yesterday. There wasn't a false move in his entire play. The fact that only 34 Berliners faced him is evidence of his pitching. By innings the number of men who came to bat was:

1 2 3 4 5 6 7 8 9 4 5 3 4 4 4 3 3 4 The second-the only inning when more than four men faced the star flinger-was the one where an error and a passed ball let two men get on. Bobby had a record of two strikeouts for this same second inning.

London went out in order oftener than Berlin. In the first, third, fifth and sixth sessions there were only three local men to have a chance at the ball. Six was the most London had at bat in one inning-the fourth -and that was when London's first run came over. It was incidentally the only frame where London got more than one blow.

SPECTACULAR SPILL AT DUFFERIN PARK

Toronto, Aug. 7. - A most specacular spill marked the running of the first race at Dufferin Park this afternoon, Jockey Stirling, who rode the Parson, an 8 to 1 shot in the betting, was bumped at the start, and all but unseated. He held gamely on for a few yards, when he fell off, with one foot caught in the stirrup and a strangle hold on the reins. In this awkward position he was carried along half-way up the stretch before he could get his foot loose, and then after running along a few strides, he fell with a thud, turning a complete somersault. His escape from serious injury was miraculous. As it was he was badly shaken

up and bruised. Nancy Orme, the horse which caused the trouble, led until close to the finish, when Lauro overhauled her, to win by two lengths.

Both Marquard and Bender Come Back for League Leader

Two veteran pitchers who have een slipping figured in winning games yesterday, and thereby crimped up two pennant races again. Marquard, of New York, dldn't finish, but held Cincin-nati so close that a rally in the ninth, during which he was retired, to let a pinch hitter operate, gave the Giants victory In his last two games, Marquard had been knocked off the slab.

Chief Bender, of the Athletics, was the other man. He beat the Naps. It was the first game the Indian had started since July 23, Cleveland being the only western club he had opened against in the present home series. This victory practically ends the pennant race. The Naps had their chance, and

Kalamazoo, Aug. 7. - Sensational racing marked the fourth day of the Grand Circuit races. Five heats were necessary to decide the winner of the silver cup in the Burdick stoke of \$6,-000 for 2:12 pacers. This event was raced on the four-heat plan, and Leata J. and Frank Bogash, Jun., after winning two heats, raced the fifth heat alone. Not until the homestretch was reached was there an indication of which might win, Leata J. pressing under the wire only half a length

ahead. One of the finest contests of the year developed in the 2:05 pace. Flower Direct and Kordan Patch raced neck and neck in the first heat, the latter winning. In the second heat these two were nose apart all down the stretch the mare getting the decision by the closest of margins. In the final heat the Patch horse fell back, Zombrewer
