Mr. Crerar referred to the patronage ystem as having exercised "a blight-ng influence" on the public life of Canada. For fifteen years the farmer organizations had stood against patron. age and were largely responsible for a creation of a public opinion against it. abolished; but, there were still some evidences of it.

on the dissolution of Parliament there were a number of positions outside the scope of the civil service commission, appointments to the Senate and the bench, to be filled. There was the greatest scurry possible on the part of politicians, who feared to try their chances again with the electorate and wanted to find a place in that "splendid haven of refuge known as the Canadian Senate." And how had the vacancies been filled? In every case they had gone to the friends of the Government. Indeed, Hon. Edmund Bristol had been reported as saying that none but Tories would get the judgeships.
