ELEVEN OUT OF TWELVE ALDERMEN LABEL LATEST STORY AS "BUNK"

statement That New "Safety Commission" Is Proposed With "Majority of City Council in Favor" Is Pure Fake-Eleven Aldermen Never Heard of It.

COUNCILLORS DENOUNCE IDEA AS ABSURD

elished by the wisest men. But not when the nonsense is faked

as a story of serious fact in which he public is asked to place its faith. The nonsense then is bunk; and ounk is deception.

As an example of this interesting it in the Free Press." volution the Free Press last night mounced in a column of space opped by its biggest black type ross the front page that a "safety the councillors for public safety?" mmission" is being proposed in city hall circles," by which the poice and fire departments are to be nalgamated. The policemen would fire duty in their leisure moments d vice versa. The story stated that e question would probably be condered by the city council next Wedesday and, becoming more enthusastic, the Free Press told its readers

"The majority of the members of council are in favor of the plan." This is an important change in the ty's administration, affecting the fety and the purse of every houseder in London-if it were true. But the story isn't true. It is bunk,

The Actual Facts. Last night The Advertiser interewed each one of the twelve city uncillors to obtain an authentic nion on the new plan. The actual cts of the situation are as follows: "The majority of the city council" e not "in favor of the plan."

Eleven of the twelve aldermen had ver heard of it before. The same eleven were unanimous describing such a proposal as

surd and impossible. The twelfth alderman had consided a similar plan, but stated that ne Free Press story was an incorrect

The "city hall circle" in which the was "proposed" resolves into a

entire story must be put in the lass with similar previous anin the same paper by the public has been told retly that there would be no City of ndon Bill this year, and no passes idermen on the London and Port ley Railway.

To each of the twelve aldermen he Advertiser put the question: "What is your opinion of the pro osed safety commission?"

Verbatim Replies. The following are the verbatim re lies made by each of the twelve.
