Chamberlain would have reform in local government, and extend it to ireland. So would Lord Randolph Churchill. The reform of parliamentary, procedure is desired by Mr. Chamberlain. So it is by THE BANK OF TOBONTO. ceedings of the Twenty-ninth Annua; General Meeting of the Stockholders, Bold at the Senting House of the In-stitution in Toronto on Wednesday, 17th June, 1885. Lord Randolph Churchill, Mr. Chamber The annual general meeting of the Bank of Toronto (being the twenty-ninth since the commencement of business) was held lain has great faith in the power of persussion over men in the mass. So has Lord Randolph Churchill. Where, then, is the difference? The one calls himself a liberal; the other a conservative.

The annual general meeting of the Bank of Toronto (being the twenty-ninth since the commencement of business) was held in pursuance of the terms of the oharter, at the banking house of the institution, June 17, 1885. On motion, George Gooderham, Esq., was called to the ohair, and Mr. Coulson requested to act as secretary. Moved by W. H. Beatty, Esq., seconded by Alfred Gooderham, Esq., Moved by W. H. Beatty, Esq., seconded by Alfred Gooderham, Esq., and Charles S. Gooderham be appointed scrutineers for the election of Directors for the ensuing year, and that they report the result to the Cashier. By request of the Chairman, the Cashier then read the following EEFORT: The Directors of the Bank of Toronto herewith beg to submit for the sonsider ation of the Stockholders a report of the past year's operations. They are happy to state that the business of the bank has been well maintained, although the year has been one of lessened sotivity and continued depression in the general trade of the conntry. The profits compare favorably with those The Bank of Toronto. Elsewhere will be found the report of the proceedings at the annual meeting of the Bank of Toronto. The report is a highly satisfactorily one to the sharehold-ers and directors of the institution, and shows a good profit and careful managenent even in the present depressed times. The London Standard, in an article on the recent ravages by locusts in Roumania,

says: "Again and again the various species have wrought dize havoo wherever their
