Toronto-Silve Plate Company will be held at the Company soffices, King-street west, on Monday, the 3d day of February, 1890, at 12 o'clock noon, for the purpose of receiving the directors' annual report, election of directors and other business of the Company soffices.

The market this morning was poorly attended by both buyers and sellers, and the amount of produce changing hands was small. Quotations in the majority of instances are unchanged. Eggs, which dropped to 15c per dozen on Saturday, are a little firmer and sold at 17c to 18c for fresh laid. Butter is worth 18c to 20c. A few lots of poultry were offered dealers holding stiff at high prices owing to the scarcity. Turkeys 11c to 14c per lb.; geese 8c to 11c. Chickens 70c to \$1.10. No ducks on sale. The offerings of meats were confined almost exclusively to beef, which commanded 4½c to 5c for forequarters and 6½c to 7c for hind-quarters. Potatoes sold at 65c per bag with limited demand. No change in the price of other vegetables. vegetables.
Produce dealers report the market featureless with prospects for an increased trade more favorable this week. Eggs are firm with an active demand from outside points and the improved tone of the enquiry for the finer grades of butter which was manifested towards the end of last week bids fair to continue.

week bids fair to continue.

FOWL ARE STILL SCARCE AND CHICKens bring your own price for good stock.
Eggs took a further drop, and are now moving
lively at 17c. Butter is in about the same position,
with fair demand for nice, small, fresh lots; choice
the is getting scarce; for medium and poor there
is still scarcely any demand. There is a demand
for good vellow or red onions. Consignments of
allove solicited. We have for sale fresh eggs;
choice butter in rolls, pails, tubs, and crocks;
funst cheese from the Highlands of Canada;
dried green peas; white beans, split peas;
canadian and American lard, for which we
solicit your orders. YOUNG, ANDREWS &
