The annual supper took place after the match, President E. A. Badenach in the chair.

There were upwards of 100 jolly curlers around the board. Good speeches were generally given in response to the long list of toasts happily proposed and heartily drunk. This was another of the Granites' long list of successes.

'VARSITY'S CRICKET CLUB.

Their Annual Meeting Held Yesterday—That International Match.

Captain Ivan Senkler presided at the annual meeting of the 'Varsity Cricket Club, held in Residence dining hall yesterday afternoon. The club expressed itself on the proposed University Athletic Association by this resolution of Messrs. H. C. Pope and D. J. Armour:

That the Toronto University C. C., believing (1) that the formation of an independent athletic association is now essential to the maintenance of athletics in the college, and (2) that the constitution framed by the provisional committee of the Literary Society, giving the latter a larger representation on the executive and also a supervisory interest in the proposed association, is not in accordance with our ideas, hereby express our disapproval of the said constitution.

This committee was appointed to look after the matter: Messrs. Pope, McLaughlin and Cowie. In connection with the proposed international college cricket match the following motion of Messrs. Pope and Casey Wood was carried:

That the Toronto University Cricket Club approve of the idea of an annual international college cricket match, and hereby empower Messrs. Senkler, Bunting and Pope to be a committee to make such arrangements with Trinity University Cricket Club as they think fit.

Captain Senkler stated that he had written the Trinity College Club regarding the matter and had as yet received no reply. These officers were elected for the ensuing year:

President, Prof. Loudon; first vice-president, G. A. H. Fraser, M.A.; second vice-president, Lieut. Theodore Coleman; secretary-treasurer, A. E. McLaughlin; captain, H. C. Pope; curator, W. A. Gilmour; committee, '91, Ivan Senkler, W. Cowie; '92, O. P. Edgar and W. L. McQuarrie; '93, P. H. Yeomans and A. A. Vickers; '94, P. Kingston and G. Clayes.

Captain Pope, having been called upon for a speech, expressed strong hopes of a successful season if members would turn out to practice. There was plenty of good material.

Brooklyn and Suburban Betting.

NEW YORK, March 19.—Books have been opened on the big New York handicaps. In both events Tenny is held at the very short price of 5 to 1. Tournament at 8 to 1 and Firenzi at 15 to 1 seem to be quoted at short prices. Burlington, Riley, Judge Morrow, Potomac, Demuth and Tournament seem to be the horses most inquired for outside of the favorite. Guido, the Pacific coast representative, has been backed to some extent in the Suburban and Brooklyn. The Suburban is run June 16 and the Brooklyn May 15.

FOR THE WATERLOO CUP.

Toronto Greyhounds May Soon Compete—The Toronto Kennel Club's Officers.

The adjourned meeting of the Toronto Kennel Club was held last night at the Rossin House, when the organization was completed. Mr. R. W. Boyle was in the chair. The constitution, as framed by the special committee, was read by Mr. Mitchener, the secretary, and with a few alterations adopted. The object of the club was specified to be for the promotion in every legitimate way of the breeding of thoroughbred dogs. The membership was limited to Toronto and suburbs. The entrance fee was fixed at $2 and annual fee at $3. Any person joining within 30 days will escape the entrance fee. Quarterly meetings will be held the third Thursdays in March, June, September, December.

The charter officers were elected as follows:

President—R. W. Boyle.
1st Vice-President—J. S. Williams.
2nd Vice-President—J. G. Mitchener.
Secretary—C. A. Stone, King and Yonge-streets.
Executive Committee—R. Wright, R. P. Forshaw, G. C. Taylor, R. Junior, H. P. Thompson, with power to add three more.

It was decided to hold the next meeting on Thursday, April 16. A communication was read from the Mascouta Kennel Club of Chicago, stating that their annual show will be held April 8 to 11 inclusive, entries to close March 23. Suitable shipping arrangements for Toronto dogs have been made.

A notice of motion was given by Mr. Mitchener that The Canadian Kennel Gazette be made the official organ of the club. A vote of thanks was tendered Mr. R. Wright, the father of the Toronto Kennel Club. In a neat reply Mr. Wright thanked the club and made the happy suggestion that greyhound coursing should be encouraged so in a short time Toronto dogs might cross the Atlantic and compete for the Waterloo Cup.

THE PRINCE'S NEAT COUP.

Soltykoff's Lord George Wins the Lincolnshire Handicap.

LONDON, March 18.—To-day's Lincolnshire Handicap was not very profitable for English sports. They are all heavy losers over the victory of Lord George, who was only backed by patrons of the stable. There is no doubt that the horse had been reserved for the race. Persons in "the know" shrewdly kept their knowledge to themselves and benefited to a good amount. Col. North wagered heavily on his horse Nunthorpe, while the French school almost brought off a well-planned coup with Seraphine II.

The flag fell to a good start. Tostig, who was the hot favorite at 3 to 1, was quickest away and made play clear. Sabrina had Lord George and Seraphine II. on her right and Screech Owl and Goodlake were close up. Then came Tedworth. The Rejected, St. Cyr, Detective and Odd Fellow with Grand Prior and Carrick. Nunthorpe was the most prominent of the others. After going a quarter of a mile Tostig Grand Prior and March fell back. Tostig still continued in command, followed by Screech Owl, Seraphine II. and Lord George. So they ran until a quarter of a mile from home, when Lord George took second place, with Seraphine II., Detective, The Rejected, Sabrina and Odd Fellow next, until nearing the distance post, when Tostig fell back beaten. Lord George now went to the front and won by three lengths; Seraphine II. was second, a length in front of Col. North's Nunthorpe.

The Lincolnshire Handicap is the first of the big events in England. The winner of the race, Lord George was a long shot in the winter betting; 20 to 1 could be had against him at any time. Last year he won twice out of 11 starts, and was second twice. His two victories were early in the spring at Newmarket, one was the Crawford Plate and the other the Flying Handicap Plate.

Sporting Miscellany.

Edward Swartwood, the popular Pittsburg outfielder of last season's Toledo club, has signed with the Sioux City club.

The game between the University of Pennsylvania and Athletic ball teams has been canceled. None of the college clubs will play association teams.

Yesterday Gowan, the Salvationist pedestrian, went crazy on the track at New York. It is said that Gowan was half starved and has been generally badly treated.

Thorn, the wing shot, who went to Europe with Macalister, the Philadelphia shooter, defeated Walter Blake, one of the cracks of England, in a 100-bird match for $500 a side at Nice recently.

Glionna's orchestra will play at the Wanderers' Bicycle Club rooms to-night. There will also be some vocal and instrumental music and a sparring exhibition. All members kindly be present and bring friends.

The second team of the Granite Hockey Club, consisting of Messrs. Walker, Lamont, Alexander, Donaldson, Gale, Creelman and Windyer, will play a picked team from all the banks this evening at 8 in the Granite Rink.

The Lincolnshire Handicap of 1 mile was won Wednesday by Prince Soltykoff's 5-year-old Lord George, M. Ephrussi's Seraphine II. being second and Col. North's Nunthorpe third. Twenty-one horses started, and the betting was 100 to 7 against Lord George.

A special meeting of the Board of Directors of the new club house company will be held in the Athenæum Club on Saturday night. The object is to obtain the consent of the shareholders to an extra appropriation of $10,000 for the building. The proposed justification for the step is the remarkable demand which has been encountered for stock in the new venture.

MAYOR CLARKE'S SEAT.

The Motion for His Unseating Will be Argued To-Morrow—The Master's Decision Will be Final.

Thomas M. McLean, cattle buyer of Goderich, is suing Hugh M. Douglas, formerly a livery stable keeper of London, for $5000 damages for false and malicious arrest and imprisonment. In August of last year the plaintiff hired from the defendant a horse, for which he paid the sum of $6. When the horse was returned it is alleged that no complaint was made by the defendant, but about a month afterwards he laid an information before the Police Magistrate of London, charging the plaintiff with ill-using and over-driving the horse and injuring him to the extent of $35. The plaintiff was arrested and had to give bail for his release. When the matter came before the Magistrate the case against the plaintiff was dismissed. He now sues for damages. Yesterday the master in chambers made an order changing the place of trial from Goderich to London.

Mr. Justice MacMahon yesterday handed out judgment in the Ottawa quo warranto proceedings, dismissing the appeal from the order of the master in chambers unseating Thomas Birkett from the office of mayor of Ottawa. The learned judge upholds the jurisdiction of the master in chambers to try such matters, and after fully discussing the question of the rights of the Dominion and Provincial Governments in such matters says, "There is no such invasion of the rights of the Dominion Parliament in the present case; if I am right in holding that the Local Legislatures have the exclusive right to make laws relating to municipal interests, it carries with it the authority to create the tribunal for the trial of contested elections and the appointment of a magistrate or other officer to hear and determine the validity thereof."

His Lordship also holds that for the purpose of hearing such matters the learned master in chambers is a judge and that there is no appeal from his judgment, and dismisses the appeal without going into the merits of the case.

The relator will have to pay the costs of the appeal.

As a result of the above judgment the motion to unseat Mayor Clarke will be argued before the master and his decision will be final. The parties have arranged to argue the motion on Saturday and the learned master, for the convenience of the profession, having other business in chambers, has arranged with Mr. Winchester, official referee, to dispose of the other business in his private room on that day.

In the case of East v. Matheson, tried at the Chancery sittings a couple of days ago, Mr. Justice Robertson yesterday gave judgment in favor of the plaintiff with costs. The action was one to restrain the defendant from using the name of the Colonial Manufacturing Company. His Lordship holds that the plaintiff alone has the right to use that name and grants a perpetual injunction restraining the defendant or her agents, travelers and company from using it.

Millions of men and women are in the dark gloom of disease. The way out is by using Burdock Blood Bitters, a tried and sure remedy for dyspepsia, biliousness, constipation, scrofula, bad blood and all diseases of the stomach, liver, bowels and blood.

The Cariboo Election.

VANCOUVER, B.C., March 19.—The election in Cariboo District for the House of Commons was held to-day. As far as heard from Barnard (Conservative) is leading and will probably be elected. All polling places cannot be heard from before Sunday.

Should be Loosened.

A cough should be loosened at once and all irritation allayed. To do this nothing excels Hagyard's Pectoral Balsam. Obstinate coughs yield at once to its expectorant, soothing and healing properties, which loosen phlegm and allay irritation.

AT THE PLAYHOUSES.

Comic Opera Holds Its Potent Sway—De Wolf Hopper Company—"The Lady or the Tiger."

Pausanias, Regent of Sparta......DeWolf Hopper
Menander, his Prophet......Thomas Q. Seabrooke
Lamarchus, a Soldier..........Edmund Stanley
Theotichydes, a General..........George Wade
Irene, Daughter of Pausanias......Anna O'Keefe
Hilaria, her Confidante..............Della Fox
Polyxena, a Grecian Lady......Sylvester Cornish
Darouna, a Persian Captive.........May Levinge

The Five Ephori, Chief Magistrates of Sparta—Alfred Klein, Louis Shrader, Clem Herschell, Will Jones, B. Mingay.

Athenian Princes—Otilie Reiffarth, Emma Muller, Tillie Frank, Ida Namora, Sallie Maddern, Emma Allen, Dollie Chase, Marguerite Wood, Pauline Johnson, Louise Edgar.

WOLF HOPPER opened a short season of three nights and Saturday matinee with his opera bouffe company at the Grand last night to a fair house. The musical comedy, or comic operetta, or whatever it be called, is an extremely bright and entertaining "Hopper" opera, but would be nothing without Hopper. The play bills call it a comic opera. Perhaps this is because with "Hopper" it "is" funny and without "Hopper" it would not be. And "Funny Hopper" (and he is funny) is half-brother to comic opera. Pausainius is his character in the cast. That gentleman is not a familiar character here. As Jack the Giant Killer his make-up was perfect, and everyone recalls a remembrance of that historic personage with a laugh. So those who were present last night will always recall Mr. De Wolf Hopper, or rather "Jack." He is as amusing as well can be and his comicalities excited a few of the heartiest laughs enjoyed here since Vokes. By the way, what a combination those two would make! It has been generally understood that he was a good actor with a fine presence and splendid voice, but very few of the audience anticipated the evening of thorough amusement which he provided. The support throughout was generally good. Mr. Edmund Stanley has a fine robust tenor voice and knows how to use it. Miss Annie O'Keefe sang her solos as well as the music would allow and was heard to her best advantage in the two duets with Mr. Stanley. Miss Della Fox must bear with the few in the gallery who hissed the flag she carried in her song. No doubt the same ignorant class in her country have greeted the Union Jack in a like manner. The make-up of Miss Cornish as a Grecian lady of unquestionable age fitted a character which she performed well and furnished much amusement. Messrs. Wade and Chipps also deserves more than a passing word of commendation. The choruses were well sung, the male chorus in particular. The custumes were rich; the stage settings bright. Mr. DeWolf Hopper's first appearance here with his Opera Bouffe Company was a success, and as he says in the "Patter" song, for which he received six encores, "He Should be Quite Mashed on Himself." Castles in the Air" to-night and to-morrow night by the same company, with a repetition of "The Lady or the Tiger" at Saturday's matinee.

"Poor Jonathan" at the Academy Next Week.

"Poor Jonathan" will be given at the Academy of Music all next week, with matinees Good Friday and Saturday. One of our correspondents writes: "Its popularity can hardly be a source of surprise to those who have sat through its charming representation by Mr. Rudolph Aronson's splendid organization, for it possesses all the elements necessary to please the audiences of to-day. 'Poor Jonathan,' with its funny comedy interest, proved its superiority at the start. The audiences found not the most delightful airs only but a vein of broad farce-comedy that caused them to laugh without cessation from the first rise to the final fall of the curtain. There was something so intensely funny about the comical escapades of Jonathan that laughter could not be restrained." It will be given here by Mr. Rudolph Aronson's superb company in all its perfection. With such a remarkable cast, the complete scenery, a special orchestra, the brilliant costumes and the excellent surroundings it cannot fail to arouse an interest that will result in a very large business. The Monday evening performance will be under the patronage of Lieut.-Col. R. B. Hamilton and officers of the Queen's Own Rifles. The prices are only 25c., 50c., 75c., $1, the management thinking it better not to increase them. Already a large advance sale has been the result.

Pete Baker

will appear at Jacobs & Sparrow's Opera House next week, with regular matinees Tuesday, Thursday, Saturday and special Good Friday matinee. As a character impersonator Pete Baker has few equals and no superiors. Years ago, while with Fatron, his repuation was made and continued to grow and increase until he was known and admired throughout the entire country. He is starring now alone, but although Mr. Baker by himself is a sufficient guarantee that the attraction will be worth the admission fee, still he knows well that the setting of a jewel displays it to advantage or disadvantage, therefore he has with him an excellent company, all of whom make the most of the parts assigned to them. Thus equipped this inimitable comedian will open an entire week's engagement at the above theatre. During the first part of the week "The Emigrant" is the attraction and "Bismarck" is booked for the latter part.

Will Cyrene Remain Another Week?

The management of Robinson's Musee Theatre are trying to induce Cyrene to remain in Toronto for the whole of next week. They evidently know when they have a good thing. Since the first performance on Monday the house has been crowded to its utmost capacity. It is doubtful, however, whether she can cancel her engagement with the Eden Musee, Chicago, with whose managers she is now in communication.

Amusement Notes.

Mrs. Agnes Thomson and her company will give a concert in the Pavilion on Good Friday night.

To-night's will be the last of the series of promenades given by the Academicians. Mr. Theo Martens will play his new "Valse Caprice" as a piano solo. The members of Parliament visit the gallery in a body Monday afternoon. The attendance this week is the largest in the history of the society.

THE ERETRIA FIND.

Fuller Details of the Important Discoveries in the Old Eubœan City.

ATHENS, Greece, March 18.—The excavations conducted at Eretria, in Eubœa, under the direction of the American School at Athens, have been very successful. The theatre has been opened, and throws considerable light on the construction of the stage. Before the stage building is a low, narrow platform, with an arch through the middle.

We have opened a large number of tombs in what appears to be a city of tombs. Of these the finest show elegant marble architecture. The only epitaph mentions a "daughter of Aristotle." Dr. Waldstein, the permanent director of the American School, distinctly disclaims the identification of this as the tomb of the philosopher Aristotle. Much gold has been found in the tombs, including six diadems, an immense wreath of wrought gold, a seal ring and earrings in the form of doves set with jewels. Nothing finer in the way of ancient jewelry has ever been discovered. Besides these may be mentioned four white lekythoi, or vases for unguents.

The walls excavated show that New Eretria was founded upon Old Eretria. The students assisting the permanent director, Dr. Waldstein, and the annual director, Professor Richardson, in the excavations are Messrs. Bronson, Gilbert, Fossum and Pickard. Prof. Waldstein is now continuing the excavations at his own expense.

And the Earth Upheaved.

SAN FRANCISCO, March 19.—Honolulu advices say several changes are reported in the crater of the volcano of Vilanea, and the cone of Halemaumau is stated to have disappeared. Earthquake tremors have been frequent in the vicinity of the volcano.

IS IT TO BE A 5 CENT FARE?

Ferry Company Representatives Tell Their Grievances to the Aldermen.

Ald. Score presided at a sub-committee meeting of the Parks and Gardens Committee called to decide what rental should be paid by the ferry companies for the use of the new docks constructed in Island Park. There were also present: Ald. Hill and George Verral, Park Commissioner Chambers, Capt. Andrew Tymon for the Tymon Ferry Company and Mr. H. C. Hammond and Mr. Fred Doty for the Toronto Ferry Company.

The Commissioner had recommended that sufficient rental be charged the companies to make the park self-sustaining.

Capt. Tymon maintained that no rental should be charged his company, as all along it had been opposed to the work, and furthermore it was no use to it because it was impossible for any boats of the fleet to land passengers there. In fact, the dock had been constructed for the convenience of the Toronto Ferry Company, and he was quite ready to sell his boats to the city and let it run them as it wanted to do the street cars.

Mr. Hammond said so far as his company was concerned he was quite willing to pay a fair rental based on a fair percentage of the amount expended on the construction of the docks, some $15,000.

Ald Hill: "I think five per cent. would be a fair figure."

Capt. Tymon: "It is no use to me is that dock. I do not think I ought to pay a cent."

Mr. Doty: "If we are to pay the whole of that five per cent., we ought to have exclusive rights to the docks. But if the docks do not benefit Mr. Tymon, certainly the dredging did."

Capt Tymon: "Not a bit. We did not want the dredging. Throw off our licenses and we will pay for our dockage."

Ald. Hill: "I say that we charge $300 each for the big boats, and $100 each for the small ones."

Capt. Tymon: "Then, gentlemen, you can bet on me not fitting out this year. I have six boats."

Mr. Hamilton: "I think that $300 a boat for the big ones is too high."

Chairman Score: "Well, one thing is certain. The city has expended a large sum of money on these docks and must get a return."

Captain Tymon offered to give a five cent fare if the city would give free dockage on the Island and city sides. Mr. Hammond said his company was prepared to pay $500 for the privilege of running two large boats to the island, and the chairman thought that fair with $40 each for all small boats.

The sub-committee adjourned to think over Capt. Tymon's 5c proposition.

College Notes.

Prof. Rand, president of McMaster University, continued his interpretation of "In Memoriam" yesterday. There was the usual large and interested audience of ladies. The series will close next Thursday afternoon.

Yesterday was missionary afternoon at 'Varsity Y.M.C.A. Dr. Baldwin presided. Addresses were delivered by Mr. Arthur Lea and by Messrs. J. S. Scott and W. R. McIntosh, who represented 'Varsity at the recent Volunteer Missionary Convention in Cleveland.

The annual examinations in connection with Knox College are now in progress. In the preparatory course 30 students have presented themselves for examination and in theology 78. The classes this year are larger than they have been on any previous occasion.

The annual meeting of Knox College Alumni Association will be held March 31 and April 1.

Knox College Students' Missionary Society did good work last year. Seven fields were occupied: seven for six months and ten for four months. In these fields there were 50 preaching stations. Thirty Sabbath schools, having 88 teachers and an average of 606 scholars, were conducted. The contribution from the fields was $2176; expense, $3369; total cost to the society, $1075; the society's revenues from all sources, $3546. In all probability 24 fields in Ontario and the North-west will be supplied by the society's missionaries during the coming summer.

Ho! For California.

Ald. Lindsey and Mrs. Lindsey and Ald. Gillespie left yesterday on a prolonged visit to California. Ald. Gillespie left at 2 in the afternoon and Ald. Lindsey and wife half an hour later. Mayor Clarke and a score of aldermen went down to the Union station to see the member from St. Mark's off on his journey. Before boarding the train His Worship presented Mrs. Lindsey with a lovely bouquet of moss roses.

Good Advice.

MEMORIES OF BETHANY.

Passion Music at St. James' Cathedral—Lee Williams' Cantata Successfully Performed—The First Time in Canada.

St. James' Cathedral was filled last night by an audience numbering close on 2000. The occasion was unique and the people were the musically-inclined of all classes. Under Mr. Haslam's skilled conduct a choir consisting of 34 men, 24 boys and an auxiliary of 20 sopranos and contraltos produced for the first time in America C. Lee Williams' cantata, "The Last Night at Bethany." The work was composed specially for the Gloucester Festival in 1889 and drew the largest audience which assembled during that series of musical events.

Last night's service was exceedingly impressive. The opening hymn to which the vast audience raised its voice was:

Sweet the moments, rich in blessing,
Which before the Cross I spend;
Life, and health, and peace possessing
From the sinner's dying Friend.

Following the collects and prayer came the cantata.

It opens with the chorus commencing:

Sweet Lord and Saviour, come!
Without Thee life nor light
Hath this poor world.
Our hearts are dark and cold,
We dwell in gloom profound
When Thou'rt afar.

In answer to the invocation comes in baritone recitative:

Behold I stand at the door and knock; if any man hear My voice and open the door I will come unto him, and will sup with him, and he with Me.

The third number is a pleasing choral, expressive of humility at the condescension of Christ in entering a human dwelling, and preparatory to a contralto recitative:

Then Jesus, six days before the Passover, came to Bethany, where Lazarus was, which had been dead, whom he raised from the dead. There they made him a supper, and Martha served, but Lazarus was one of them that sat at meat with Him.

No. 5 is a tenor solo and chorus of meditative prayer, the chorus closing with the words:

Like Lazarus to sit
With Thee at table, Lord,
We dare not hope;
'Tis honor far too great
To tend, like Martha, there,
And do Thy will.

The effect of this number was particularly fine. Mr. Gorrie took the solo.

The narrative is resumed in a contralto recitative: Then took Mary a pound of ointment, very costly, ...

Growing out of this incident is a soprano solo breathing consecration. The succeeding recitative containing the hypocritical complaint of Judas at the extravagant waste of ointment is sorrowfully commented on by a chorus:

The poor! O Man of Sorrows!
O Wanderer, faint and weary!
Who is so poor as Thou?

Their nests the flying creatures,
Their holes the wary foxes,
Thou hast in mercy given:

But, Lord of all creation,
Thou canst not find at nightfall
A place to lay Thy head;

O bring the precious ointment,
In box of alabaster,
To soothe the wayworn feet.

The last generous impulse of the devout chorus is sanctioned by the next number, again recitative:

Then said Jesus, Let her alone. Against the day of My burying hath she kept this. For the poor always ye have with you, but Me ye have not always.

In reverent protest against the words, "but Me ye have not always," the chorus sings a four-stanza prayer, commencing:

By the good that Thou has wrought,
By the fight that Thou has fought,
Counting pain and sorrow naught,
Blessed Saviour, stay!

No. 12 is an interlude. The time is night. Our Lord sleeps and a chorus of angels sings: "For so He Giveth His Beloved Sleep."

The final is a powerful chorus, softly calling on nature to be still and praying the Saviour to rest and gather strength for His coming trials. It closes with a triumphant prophecy of resurrection. The solo work of Misses Dick, Bonsall, McFaull and Reynolds was noticeably fine.

The service was concluded with an address by Rev. Canon DuMoulin on the subject of the music and the hymn:

All hail the power of Jesu's name.

The Rev. Canon dismissed the congregation with the Mosaic benediction.

LADY TRUE BLUES.

Celebrate Their Inauguration Last Evening in Grace Church.

There was a large gathering of Lady True Blues and their friends in Grace Church last night, the event being the second anniversary of Lady Erne Lodge, which is the banner lodge of Canada. The chair was occupied by Past Grand Master William Fitzgerald. There was a choice repast served in the school room by the sisters. Among those who sat around the festive board were: Rev. J. P. Lewis, pastor of the church, and wardens; Charles L. Rosevear, G.L. of B.A.; G. Worrell, D. D. G. M.; John Taylor, D.D.G.M.; A. Creighton, D.D.G.M.; William Wallace, D.D.G.M.; George E. Hill, D.G.M. of B.A.; William Black, John Thompson, W. Boddy, veteran Orangemen; the mistresses and masters of seven other lodges, and several prominent members of the Orange Order. Letters regretting their inability to be present were received from Rev. William Patterson, pastor of Cook's Church; H. A. E. Kent, county master of the Loyal Orange Order, and Past County Master James L. Hughes, also from Ald. R. A. Boyle, Merritton, grand chaplain; N. Ingram, G.S., Port Perry. A valuable watch and chain was presented to Sister Mrs. John Graham, secretary of the lodge, whose energetic work in the office was highly commended in an illuminated address. Mrs. Graham made a felicitous reply.

A Koch Lymph Case.

A well-defined case of consumption in the West End, which evidences to be of considerable public and scientific interest, has for some time been undergoing the Koch lymph treatment under Dr. W. T. Stuart of Spadina-avenue. In September last the patient was wasted down to 106 lbs. exclusive of clothes and boots. In the time that elapsed before Dr. Stuart took charge the patient was much further emaciated and supposed to weigh not more than 90 or 100 pounds. In addition to the lymph, the patient was carefully looked after in the auxiliaries of hygienic nursing and diet, with the result that he has gained 22½ pounds in weight. The microscopic record of the case taken and preserved by the doctor does not show a corresponding difference in the number of bacilli tuberculosis in the sputa taken from time to time, but it shows changes in the shapes of many of the bacilli sufficiently marked to be detected in the high power microscope by eyes not trained to the use of that instrument. Before the lymph was administered the bacilli had the shape of rods slightly beaded and rounded at the ends. Since the lymph treatment some of the rods have bulged out and become deeply indented in places as if about to disintegrate. The lymph was used in very small doses to avoid marked reaction and was supplied by Dr. Nesbitt, who obtained it direct from Dr. Leibnitz at Koch's laboratory in Germany.

The Czar and the Shah.

ST. PETERSBURG, March 18.—The Czar of Russia has presented the Shah of Persia with 30 Kirghis horses of the purest breed and a modern battery of artillery with four guns, which are being conveyed to Teheran under an escort of Cossacks. The increasing intimacy between the two sovereigns is looked on with much disfavor by other nations. The Shah is too willing to sell his territory to the Russians, and through Persia lies England's most direct route to India.

SATURDAY HALF HOLIDAY.

What the Parks and Gardens Committee Think About it.

There were present at yesterday's meeting of the Parks and Gardens Committee Ald. Score (chairman), Maloney, Hill, Hewitt, Macdonald, J. E. Verral, Lucas and Park Commissioner Chambers.

Ald. Saunders and Public School Trustee Vair waited on the committee to secure the use of the Pavilion for the annual flower show of the Horticultural Society, which was granted.

Mr. Bruce Harman, as secretary of the Royal Canadian Yacht Club, appealed to the committee to ask it to pay for certain permanent repairs done to the Pavilion on the occasion of the annual ball of last year. Ald. Hill objected that the club had no right to do the repairs itself, but should have consulted the Park Commissioner. The amount involved was $40.50. The Commissioner will report on the matter at the next meeting. It was determined to put a stop to the custom of those renting the Pavilion coming down to the hall and getting away with half the rent on the score of rebates.

Letters from the City Solicitor were read which were to the effect that all difficulties had been removed in the matter of the taking over of Lowther and Carleton-squares as part of the parks and gardens system under date March 17.

J. Enoch Thompson wrote the committee stating that several of the parties interested in the Rosedale Ravine drive were dissatisfied at the amounts offered, but they were willing to give the city 100 feet free of cost on condition that it maintains it as a drive. This solution of the difficulty, he thought, would be all right. The letter was sent on to the Board of Works as being more directly interested.

The A.O.U.W. applied for a rebate on rental of Pavilion. The application was sent on to Agent McRae.

There was a discussion on Ald. J. E. Verral's resolution that the city employes in all departments get a Saturday half holiday.

Ald. Hill, Macdonald and Lucas thought that the innovation would cost altogether too much.

The commissioner said it might be possible to give his men a half holiday, but not on Saturday, as they were wanted to put the parks in proper shape for the Sunday.

Ald. Verral stuck to the Saturday afternoon, but Ald. Hill objected that they were wanted to protect the works.

Ald. Hewitt: "What are our policemen for, for ornament?"

Ald. Lucas: "Yes."

Ald. Hewitt: "Then let us have them stuffed."

It was finally put to the vote and defeated, Ald. Verral alone voting yea. The resolution was then left with the commissioner, for him to consult with the heads of the other departments to see whether it could be practicable.

Ald. Bell's motion in council, that the committee bring in a report of all suitable properties for park purposes, was laid on the table.

It was resolved to let the privilege of selling refreshments in Island Park by tender on the basis of a five years' lease.

On application the congregation of St. Augustine's Church was given use of the Pavilion on April 19 for a charitable concert on the usual terms. The committee approved of the suggestion to erect a boathouse and swings on Island Park.
