FOURTEENTH YEAR

A DEMOCRATIC WATERLOO.

WILLIAM MCKINLEY RE-ELECTED GOVERNOR OF OHIO.

Republican Gains All Along the Line in Yesterday's Elections—Massachusetts, New York, Ohio and New Jersey, and Probably Iowa, go Against the Democrats.

Elections in thirteen states took place yesterday. In New York the principal issue centered in the candidature of Isaac H. Maynard, the Democratic nominee for the Court of Appeals.

In Ohio the Hon. William McKinley is a candidate for governor and carried the state by a majority exceeding 30,000.

In Massachusetts the battle ranged between Russell, Dem., and Greenough, Rep., and was fought on Federal lands. The state was considered a hide-bound Republic, but for the last three years elected a Democratic Governor; yesterday it returned to its old-time principles and elected Greenough by a plurality of more than 25,000.

Hon. James Abolmote Bradley, a candidate for the State Senate, made an original campaign against race track gambling in New Jersey and the colored vote decided the day. Late disaffection among the state has probably gone Republican and Bradley is elected.

The Same Story From Several States. BUFFALO, Nov. 7, 12.15.—At this hour it is merely a question of majorities. Massachusetts, New York, Ohio and New Jersey have gone over to the Republican column.

Swing returns are too meagre to state safely any result, but it is surely Republican.

The Southern States have not drifted from their old-time bearings and Virginia reports Democratic gains.

Pennsylvania shows Republican gains. Throughout the West disaffection has overtaken Democracy in the North and West.

Governor Flower on the Result. ALBANY, Nov. 7.—To-night when asked for his opinion as to the result of today's election, Governor Flower said: "The Republicans seem to have elected their State ticket. The Legislature is in the hands of the Republicans. I have no doubt secured a majority in the constitutional convention. The result has been general throughout the country and can be attributed only to the business depression and the thousands of men out of work."

25,000 Republican Plurality. BROOKLYN, Nov. 7, 9.40 p. m.—The returns so far received show that the Greenough has been elected governor by more than 25,000 plurality.

In South Dakota. YANKTON, N.D., Nov. 7.—The Republican candidates for judicial positions have been elected by the usual majority. The vote has been about one-half of that polled at the last general election of about 40,000.

Astorian City Solicitor Caswell is campaigning on A. J. E. Verrill's trail. The man of the hour is not to be had at the rate of a penny. He is not to be available until to-morrow night.

RIOTS AT THE POLLS. Serious Trouble in New Jersey—Three Deputies Shot at Camden. CAMDEN, N.J., Nov. 7.—As a result of the appointment of 500 Democratic special policemen to guard the polls, a riot broke out at Camden. Three deputies were shot and three others were injured.

U.S. REFUSAL TO BE ABOLISHED. How this is to be Inevitably Brought About. The setting up in the United States of a dictatorship appears, according to a striking and very interesting article by Mr. Edward G. Loring, in the November number of the Canadian Magazine, which is for sale at John P. Kennedy, Publisher, Bookstore and Newsstand, 100 West Broadway, New York. It is an inevitable outcome of the increasing influence of the Legislature on the Executive, and the increasing power and patronage in the President. Any one who reads it will think and think again.

SATA HIS WIFE HAS SLOPED. A Holland Landing Farmer Seeking the Aid of the Police. John Roland of Holland Landing arrived in the city yesterday in search of his wife and a negro man who had been with him on a boat. He was accompanied by a number of securities into cash.

Aftermath of the Local. Frederick Jacques, Haystack, was convicted at the Police Court yesterday of having robbed the Dundas postoffice recently and sent to jail for 30 days. John Clark, charged with being a burglar, was acquitted.

The officers against a number of newspapers of selling or exposing for sale copies of music books in the city. The Police Court yesterday, defendants agreeing not to appear for trial, ordered the papers to be destroyed.

For stealing two pairs of shoes from a Queen-street store, Harvey was yesterday sent to jail for 30 days.

Mr. T. W. Ruddell has invented a transfer ticket that seems to be an improvement on the one now in use. By his ticket two purchases can be made for the price of one.

Three lads were fined \$2 each at the Police Court yesterday for carelessness in building fire traps and for carelessness in building fire traps.

The postponed annual elections of the St. Alban's Club will be held next Tuesday afternoon at the Hotel McArthur, at 8 o'clock p. m. to 9.45 p. m. The candidates' names are as announced three weeks ago.

Personal. The Right Rev. Monsignor O'Brien of Ottawa, who was in the city yesterday, has been entirely recovered from his recent illness.

Mr. Maurice Davis (S. D. & Sons) of Montreal is in the city. He is accompanied by his wife, Mrs. E. E. Tabber, S. O. Montreal, is at the Mayor Walk, Waterloo; J. A. Ross, Quebec; J. W. Sprague, Guelph; and J. W. Sprague, Guelph.

STILL DOUBTING THOMAS.

Aldermen Place Little Confidence in the \$25,000 Letter Announcing the Capture of the Great Promoter.

The Corporation Committee will meet Thursday at 11 a. m. to once more discuss the offer of the Aqueduct Company to supply Toronto with water, lighting and heating. The amendment made to the committee's report on the council Monday night by Ald. Hewitt does not place the project in any better shape nor give the aldermen any more information.

It is clear that the company are asking the city for a valuable franchise, the right to lay pipes, to install meters, the power to expropriate land, and to invest in the city, and exemption from taxation generally. But what the company is going to give the city for these extraordinary gifts is still a dark secret. The level-headed men in the council do not take much stock in the letter announcing that some of the promoters of the scheme had \$25,000 hidden away in the Union Bank vaults. They would like to know just how long it will remain there, or if it is there now, and if a bank account has been opened by the company.

HOSPITAL BOARD WILLING. But Dr. O'Reilly Objects to Outside Franchises in the Isolation Hospital.

The Local Board of Health will meet this afternoon to discuss the issue of cutting regulations and the advisability of turning over the Isolation Hospital to the General Hospital.

The Board will only be on their own terms. Nephylsicians other than the regular staff will be allowed to attend patients. It is said that the Hospital Board would not be so particular had not Dr. O'Reilly insisted on it.

THE VICTIMS NUMBER 19.

THE STEAMER FRASER BURNED IN LAKE NIPISING.

Only Seven of All On Board Escape Death—Captain Douglas and Mrs. Douglas, and Others Drowned—The Vessel Owned in Toronto.

NORTH BAY, Ont., Nov. 7.—The steamer Fraser, owned by Davidson & Hay of Toronto, took fire on Lake Nipissing at Goose Island, 24 miles from here, about 11 o'clock this morning.

The steamer was destined for Franks Bay and carried a crew of 22 men. Of this number only 7 escaped death. The remaining 15, including Captain Douglas, were driven into the water by the flames and all were drowned.

The World War Col. Davidson last night learned that the above despatch was somewhat misleading. The Fraser was a first-class passenger steamer, and has been running for three years past. She was employed in transporting supplies from Cache Bay to the lumber camps and in towing rafts of logs on the downward trip.

She did not make regular trips and would have laid up for the winter season after this trip.

Her crew consisted of the captain and four first mates. The remainder of the crew were all Canadian. The vessel was carrying a cargo of lumber and other supplies.
