

COMING TO WATFORD—Kellogg-Haines Singing Party, of Chicago, to Appear in Watford on April 6th.

The people of Watford and vicinity are to be given a great treat on Thursday evening, April 6th, when the Kellogg-Haines Co. appear in the Lyceum under the auspices of the Bowlers. They positively guarantee one of the very best entertainments put on here. There are two ladies and three gentlemen in the company. The concert consists of music, vocal and instrumental humor and comedy, and one hour of opera in elaborate and costly costumes. Probably the opera Martha will be selected. The Kellogg-Haines Co. is said to have the best mixed quartette in America. Last August they appeared at the great Chautauqua at Madison, Indiana, and the management state it was the best entertainment they ever had. So pleased were they that they telegraphed to the Redpath Bureau in Chicago, engaging the Kellogg-Haines Co. for August, 1911, one year ahead. In January last this company played successfully for three nights in the city of Toledo, Ohio. During their week in Ontario they play in Chatham and London on the big Y. M. C. A. Lyceum courses. The Watford people are good judges of entertainment talent and it is absolutely certain that this guaranteed attraction will be greeted by the biggest audience ever assembled in the Lyceum. The only way to be certain of good seats is to reserve early. Plan at the drug stores. Reserved Seat Tickets 50 cents.

Miss Jewel Bell, Forest, is the guest of Miss Ella McCormick, 2nd line.

Rev. M. Kelly, pastor of Zion Cong'l church, tendered his resignation last Sunday as he has accepted a call to Brantford. The members and adherents of the church regret very much to part with Mr. Kelly as they realize they are losing a very able preacher and a good man from every standpoint whose place will be hard to fill.

A few of the brainy element gathered at the home of Mr. W. J. Seymour on Wednesday evening of last week and spent a social evening playing cards and dancing. Mr. Elmer Thompson furnished the music while two brilliant young lads of the neighborhood called off. Everybody returned home at a late hour thanking Mr. and Miss Seymour for their evening sport.

The pruning demonstrations held last Thursday under the auspices of the Watford Fruit Growers' Ass'n proved to be a failure due largely to the inclement weather. The morning demonstration in the orchard of Mr. Swanton Raycraft was poorly attended, and at the afternoon session on the farm of Mr. W. A. Smith the demonstrator failed to put in an appearance. Mr. Gregory will be back shortly to make spraying demonstrations and will probably give the farmers of this district another opportunity of learning more of the art of pruning.

ADVANTAGES OF HOLDING AN INDUSTRIAL MORTGAGE & SAVINGS CO. 4% DEBENTURE.

1. There is no better security offered to you to-day in Canada.
2. Your money is invested in our own Province on farm lands and municipal debentures, with which you are thoroughly familiar.
3. You are saved all worry and unpleasantness consequent on loaning your money either on notes or mortgages.
4. Not a dollar is invested outside the Province of Ontario.
