DANGER TO  
SYSTEM UNLESS  
ACTION IS TAKEN

Ignorance alone can excuse neglect of the health when all indications point to kidney trouble. Everyone should know that from the hour the kidneys fail to remove the poisons from the blood stream, these poisons are accumulating ready to cause sickness, pain and suffering.

How are you to know that the system is in danger from poisoning? One or more of the following symptoms should leave no doubt in your mind. If you are the victim of backache, pains in the back or sides, or Lumbago, be sure nature is calling for better kidney action. Take Gin Pills.

At the first twinges of Rheumatism, swollen ankles and joints, or any other manifestation of uric acid poisoning, take Gin Pills. Dozens of Testimonials prove Gin Pills to be the sovereign remedy.

Take the warning given by constant headaches, restless nights, dizziness when you stoop, frequent chills, bladder urinary trouble, or constipation, and turn to the remedy which is so sure that it is sold on the money-back guarantee—Gin Pills.

Gin Pills are sold by all dealers—50c a box or 6 boxes for \$2.50. A free sample will be sent if you address your request to the National Drug & Chemical Co. of Canada, Limited, Toronto; or to the U. S. address, Na-Dru-Co Inc., 202 Main St., Buffalo, N. Y.

## IN MEMORIAM

In Loving Memory of Donald (Dan) Campbell, Rokeby, who died Oct. 8th, 1916.  
A precious one from us has gone,  
A voice we loved is stilled,  
A place is vacant in our home  
Which never can be filled.  
God in His wisdom has recalled  
The boon his love has given,  
And though the body slumbers here  
The soul is safe in heaven.  
Sadly missed by Mother, Sisters and Brothers.
