### ELECTRIC TIME SAVER WASHER

## THIS IS THE SAFE WAY TO DO YOUR WASHING

Many housewives prefer to keep the washing in the home. This is the safe and sanitary way. Clothes sent out to be washed are mixed with everybody's, and come in contact with contaminated linen. Also by keeping the washing in the home you can supervise it closely and often prevent the ruin of some delicate garment. Clothes last much longer when washed in the home.

With a Time Saver Electric Washer you can easily get all the washing done in your own home. It saves three whole hours on wash day and makes the day an easy one. Both washer and wringer are driven by electric power and run for 2c. an hour. It is moderate in price. It pays back its cost in a year in the saving of laundry bills or washer woman's wages. We have a machine in the store for you. Let us demonstrate it in your home. Phone or call.

### GOVERNMENT WILL GRANT \$1,500 TOWARDS WINTER FAIR BUILDING

Several weeks ago it was announced in the Guide-Advocate that Dr. J. B. Martyn, M. P. P., had interviewed the Minister of Agriculture regarding assistance in erecting a building to accommodate the various agricultural shows held in Lambton during the winter months, and that the Minister had promised to recommend a grant for this purpose. The following letter confirms the statement.

Ontario Department of Agriculture Office of the Minister.

Toronto, August 14th, 1919.  
Dr. J. B. Martyn, M. P. P.,  
Alvinston, Ont.

Dear Dr. Martyn:

I have given consideration to the statement submitted by you in favor of a grant for a Winter Fair Building for Lambton County for the joint uses of the Lambton County Corn and Seed Shows, Poultry Show and Dispersion Sale of Pure Bred Stock. I have followed with much interest the development of this and allied activities in Lambton County, and I am sure they have been of great assistance in the development of the County and in moulding the prosperity of their various members. I appreciate the interest which you have always shown in matters of this nature, and am glad to note that the work of the Department has also been of service in the development which has taken place. Except for the preliminary work which has always been carried on by these different Associations I would be inclined to regard the plans for a permanent Winter Fair Building as somewhat ambitious. The development which has already taken place, however, and the backing which the project is receiving locally makes it much more promising and reasonable. Under these circumstances I feel that the Government will be justified in assisting the project to the extent of a grant of \$1,500, and I will have pleasure in recommending this at the next Session of the Legislature. It would, of course, be impossible to pay it before that time, but if the local Associations are in a position to go ahead in the meantime I have no doubt they will be able to arrange the financing satisfactorily with this assurance. The Department will be glad to keep in touch with the progress of your plans and may be able to assist with suggestions from time to time. Wishing you every success, I am,

Yours very truly,  
**GEORGE S. HENRY,**  
Minister of Agriculture.

**FOR SPRAINS AND BRUISES.**—There is nothing better for sprains and contusions than Dr. Thomas' Electric Oil. It will reduce the swelling that follows a sprain, will cool the inflamed flesh and draw the pain as if by magic. It will take the ache out of a bruise and prevent the flesh from discoloring. It seems as if there was magic in it, so speedily does the injury disappear under treatment.

The funeral of the late Miss Mary McKay, daughter of Mr. and Mrs. William McKay, took place from the family residence, Monday afternoon, August 18th, and interment was made in the Arkona cemetery. Rev. C. W. King, pastor of the Baptist church, assisted by Pastor A. A. Barnes and the Stoner Male Quartette, officiated. The Young Ladies' Philathea Bible Class, of which Miss McKay was the teacher, accompanied the hearse in a body. The pallbearers were Messrs. Norman, Fred, Roy, Earl, Arthur and Orville Stoner. The floral tributes and large concourse of people in attendance from the countryside attested the esteem in which this devoted worker was held.

### A MOTHER'S TRIALS

Care of Home and Children Often Causes a Breakdown

The woman at home, deep in household duties and the cares of motherhood, needs occasional help to keep her in good health. The demands upon a mother's health are many and severe. Her own trials and her children's welfare exact heavy tolls, while hurried meals, broken rest and much indoor living tend to weaken her constitution. No wonder that the woman at home is often indisposed through weakness, headaches, backaches and nervousness. Too many women have grown to accept these visitations as a part of the lot of motherhood. But many and varied as her health troubles are, the cause is simple and the cure at hand. When well, it is the woman's good blood that keeps her well; when ill she must make her blood rich to renew her health. The nursing mother more than any other woman in the world needs rich blood and plenty of it. There is one always unerring way to get this good blood so necessary to perfect health, and that is through the use of Dr. Williams' Pink Pills. These pills make new blood abundantly, and through their use thousands of weak, ailing wives and mothers have been made bright, cheerful and strong. If you are ailing, easily tired, or depressed, it is a duty you owe yourself and your family to give Dr. Williams' Pink Pills a fair trial. What this medicine has done for others it will surely do for you.

### THE WESTERN FAIR

September 6th to 13th

From present appearances the Western Fair of London, Ontario will be the best Exhibition this year in its history. At this early date space for Exhibits is about all taken and it remains now for a good Live Stock entry which is fast coming in to fill the Stock barns, when with favorable weather conditions visitors will see the greatest success ever attained by the Western Fair.

There will be a Dog Show from Tuesday to Friday noon of Exhibition week. A Pure Food Show will be held in the Process Building throughout the entire week—no extra admission. Butter making as usual in the Dairy Building each day. Egg and wool exhibits in the Dairy Building by the Government also moving pictures under canvas on Society row. Tractor Demonstrations by several large manufacturing companies. A grand Automobile show in transportation building with overflow exhibits in the Machinery Hall. Every one within reach of London should take at least one day off and visit the Exhibition. Come and celebrate Peace and Prosperity with us. All information from the Secretary, General Offices, London, Ont.
