CLERK'S NOTICE OF FIRST POSTING OF VOTERS' LIST

Voters' List 1925 Village of Watford County of Lambton

Notice is hereby given, that I have complied with Section 10 of Voters' List Act and that I have posted up at my office in Watford, on Friday, July 24th, 1925, the list of all persons entitled to vote in the said Municipality for members of Parliament and at Municipal Elections and that such list remains there for inspection.

And I hereby call upon all voters to take immediate proceedings to have any errors or omissions corrected according to law. W. S. FULLER, Clerk. Dated July 24th, 1925.

Milverton Sun—Miss Agnes McPhail, M.P., in speaking before the Farmers' Clubs of South Monaghan and Cavan on Friday last, made the outstanding and highly contra-vertable statement "that even if Belgium had not been invaded, Britain would have found some excuse to enter the World War." It is regrettable that Miss McPhail should thus slander the Mother of Nations. In the history of the universe there has been no nation that has done so much for humanity and civilization as Great Britain. In great philanthropic and humanitarian movements she has been first and there is no second.

A special marriage license was required from Ottawa to permit the marriage in Sarnia on Thursday of two cousins from Saginaw, Mich. Both are graduates of the University of Michigan and came to Canada to be married as New York State is the only state in the Union sanctioning the marriage of first-cousins. The marriage laws of Canada do not forbid the uniting of cousins, although such marriages are forbidden by law in Great Britain and in U. S. (except New York.)
