WOMEN'S INSTITUTE.

At the regular meeting of the Women's Institute held on Thursday it was decided to hold a rummage sale on Saturday, May 19th. A letter was read from A. J. Campbell, Secretary of the Nova Scotia Publicity Bureau asking assistance in promoting the Tourist Industry of the Province. The Institute was asked to assist in securing lists of country and village homes throughout their territory that will provide comfortable beds and good meals to tourists.

In the course of the letter it was pointed out that the tourist industry was the biggest opportunity confronting Nova Scotia today. Its development in the United States was shown by the amounts distributed in 1923 as follows: \$300,000,000 in Wisconsin, \$180,000,000 in California, \$120,000,000 in Michigan, \$75,000,000 in Florida, \$60,000,000 in Ohio, \$40,000,000 in Pennsylvania, \$40,000,000 in Maine, \$25,000,000 in Minnesota, \$20,000,000 in Minnesota, \$20,000,000 in British Columbia, \$10,000,000 in Arizona.

The letter was favorably considered by the Institute and an effort will be made to obtain a list of people willing to accommodate Summer Tourists in Bridgetown and vicinity. Any of our readers who wish to take Summer visitors should send name and particulars to Mrs. R. J. Messenger.

The general programme for the afternoon being Public Health articles bearing on that subject were read by Mrs. E. A. Hicks, Mrs. A. J. Prosser, and Mrs. Melbourne Wentzell.

Afternoon tea was served by Mrs. H. S. Magee and Mrs. J. P. Orlando and Mrs. E. R. Orlando.

RURAL DEANERY MEETING HELD AT GRANVILLE FERRY

The clergy of the Deanery met in chapter at Granville Ferry on Monday and Tuesday of last week. The Rev. W. Driffield, Rural Dean, presided, and the following were present: Ven. Archdeacon Watson, Rev. Canon Underwood, secretary, and the Rev. Messrs M. Taylor, T. C. Mellor, E. D. P. Parry and A. W. L. Smith.

After the opening service and reading of the Ordinal, a portion of the Greek Testament was translated and discussed, the Ven. Archdeacon Watson contributing a valuable paper thereon. The Rural Dean then introduced the subject of the Diocesan Mission to be held in the Autumn, and a committee was appointed to draft arrangements.

A sincere vote of sympathy was passed, to be forwarded to the Rev. J. Lockwood, whose son was accidentally killed in Vancouver a short time ago.

The Rural Dean performed the pleasing duty of thanking his brethren for the valuable wedding gift recently presented to him.

The following papers were read and an animated discussion followed each: "Marriage, and Those Whom God Hath Not Joined together" by the Rev. Canon Underwood; "The Virgin Birth," by Rural Dean Driffield; and "What is Wrong with Our Young?" by the Rev. A. W. L. Smith.

The official Deanery service was held in Holy Trinity church on Tuesday morning, when the Rural Dean celebrated the Holy Communion, assisted by the Ven. Archdeacon Watson, and the Rev. A. W. L. Smith preached an able sermon ad clerum.

Evangelism was said on both Monday and Tuesday evenings, good congregations being present; the preachers were the Rev. T. C. Mellor and Canon Underwood.

Considerable routine business was transacted and the next meeting arranged to take place at Clementsport on August 25th to 27th, including the annual Memorial Service in the old church.

Votes of thanks were passed to Archdeacon Watson and Mrs. Watson for their kind hospitality, also the hosts and hostesses who entertained the visiting clergy.

Heartly services, interesting papers and discussions and lovely weather combined to make this a pleasant and profitable gathering.

FIFTY-SEVEN HENS LAID 100 PER CENT.

Nappan, N.S.—The 25th week of the egg-laying contest closed with a production of 1026 eggs, or 73.2 per cent. from the 200 birds. D. G. O'Reilly's pen of White Leghorns forged to the front by laying 59 eggs, giving them a total of 1000 eggs to date, or four eggs ahead of the Nappan Experimental Farm's pen of Barred Rocks which had been leading for some weeks. The third highest pen is Mrs. Fred Chapman's Barred Rocks with 875 eggs; the fourth highest is Charlottetown Experimental Station's pen of White Leghorns, with 846 eggs and fifth, the Nappan Experimental Farm's pen of Barred Rocks with 837 eggs.

E. N. Smith's Barred Rocks led for the week with 79 eggs, or 100 per cent production. These ten birds laid 60 eggs in nine consecutive days. Fifty-seven birds laid 100 per cent. for the week and only seven remained idle during that time.

Minard's Liniment for Dandruff.

GIRLHOOD DANGERS

Can be Avoided by Keeping the Blood Rich and Pure.

The anaemia of young girls may be inherited, or it may be caused by bad air, unsuitable food, hasty and irregular eating, insufficient out-door exercise and not enough rest and sleep. It comes on gradually, beginning with languor, indisposition to exertion and a feeling of fatigue. Later comes paleness of the face and headaches. In the majority of cases constipation is present, and the complexion takes on a greenish-yellow pallor. The treatment is quite easy and simple. Dr. Williams' Pink Pills are just the tonic to remedy this wretched state of health. They act directly upon the blood, and as it becomes rich and pure, strength and activity return, the glow of health comes to the cheeks, and soon the trouble will disappear and good health follow. Miss Pearl Parks, R. R. No. 1, Redwood, Ont., has proved the value of this medicine, and her statement will point the way to health to all other weak girls. She says: "I was very ill with anaemia. I could not sleep at night; my appetite was poor, my face and lips were very pale and my eyes dull. I got so weak that I could not go upstairs without resting. I took dizzy and fainting spells, had no ambition whatever, and did not care to go about. I was in this condition for nearly a year. I had treatment from two doctors; but did not regain my strength, so my mother, who was very uneasy about me, decided I should try Dr. Williams' Pink Pills. After using the pills for a while I felt somewhat better, and continued taking them until I had used about a dozen boxes, when I was again well and strong. I can strongly recommend Dr. Williams' Pink Pills for the treatment of any suffering from anaemia."

You can get these Pills from any medicine dealer or by mail at 50 cts. a box from the Dr. Williams' Medicine Co., Brockville, Ont.

PORT LORNE.

Capt. S. M. Beardsley spent a few days this week with his father, Capt. S. Beardsley.
