Mexicans are not very fond of Spaniards, and jokes are constantly cropping up in Mexico illustrative of the arrogance of the Spanish character. One now current in Mexico runs as follows: A Spaniard arrived at Vera Cruz and stepped ashore just as an earthquake occurred. Putting on a benign smile, he said: "Tremble not, Earth, I am not going to harm you."

DR. CARSON'S STOMACH BITTERS

The Great Stomach and Liver Cure.

Ask or write Malcolm McBean, Esq., 32 Queen St. West, Toronto, what it has done for him. He will tell you it is the only medicine sold that does all that it claims to do; that it cures Dyspepsia and all stomach and liver troubles. After three bottles he was well for the first time in years.
