

A Luxuriant Growth Of Hair

May be obtained by the continued use of Ayer's Hair Vigor. "A few years ago my hair began to turn gray, and, a short time after, fell out so freely that I became nearly bald. Ayer's Hair Vigor stimulated a new growth of hair, and of the original color. I have applied the Vigor, occasionally, since that time, and my hair is now strong and abundant."—Ira D. Kennah, Utica, N. Y.

I had been troubled, for years, with scalp disease, and my hair was weak and thin. The use of five bottles of Ayer's Hair Vigor cured my scalp, and gave me a luxuriant head of soft, black hair. — Mrs. E. H. Foster, Lynn, Mass.

I have used Ayer's Hair Vigor for the past two years, and found it all it is represented to be. It restores a natural color to gray hair, promotes a vigorous growth, and keeps the hair soft and pliant. — Mrs. M. V. Day, Cohoes, N. Y.

Scrofulous

Humors originate in the blood, which, when vitiated, carries disease to every tissue and fibre of the body. Ayer's Sarsaparilla eradicates all traces of the scrofulous taint from the system.

I have used Ayer's Sarsaparilla, in my family, and know that it is a reliable specific for Scrofula. I have also prescribed it as a tonic, and honestly believe it to be the best blood medicine compounded. — W. F. Flower, M. D., Greenville, Tenn.

Affections

Of the Eyes, Lungs, Stomach, Liver, and Kidneys, indicate the presence of Scrofula in the system, and suggest alternative treatment. For this purpose, Ayer's Sarsaparilla is unequalled.

I was always troubled with a Scrofulous Humor. Lately my lungs have been affected, causing much pain and difficulty in breathing. Three bottles of Ayer's Sarsaparilla have relieved my lungs, and improved my health generally. — Lucia Cass, Chelsea, Mass.

A GOOD REPUTATION SUSTAINED.

The high character and wide reputation to which

SIMSON'S LINIMENT

has attained, and the hearty support given to it by all classes of persons since its first introduction, is sufficient guarantee that our assertion has been fully sustained, that it possesses superior virtues for the relief and cure of Rheumatism, Sore Throat, Burns, Swellings, Lame Back, Stiff Joints, Chilblains and such like complaints. We are constantly receiving letters speaking in high terms of its merits. We print below a testimonial which is a fair sample of many others in our possession.

Please bear in mind that SIMSON'S LINIMENT does not cure everything, but that it is the best preparation of its kind now before the public.

GENTLEMEN,

I want to speak with approval of SIMSON'S LINIMENT. Having my knee fractured and the cords almost destroyed by a kick from a horse, and other applications not proving successful to reduce the pain and soreness, I used two bottles of the Liniment, which at every application at once took effect, and now after six weeks being laid up, I am able to walk nearly as well as ever. I have also used SIMSON'S LINIMENT with great success in taking the soreness from corns in horses after removing them.

Yours truly,

JACOB FOSTER.

PUTTNER'S EMULSION

Still keeps ahead of all other preparations containing Cod Liver Oil. This is due to its agreeable taste and elegant appearance, to its being easily digested and assimilated by the digestive organs, to the fact that its administration is followed by no nausea and the pure Cod Liver Oil and other drugs used and the great care taken in its manufacture.

"THE HIGHEST SATISFACTION."

PUTTNER EMULSION CO.

GENTLEMEN:—I have largely used Puttner's Emulsion of Cod Liver Oil ever since its first introduction and have found it to be readily taken by patients, especially by children, pleasant and followed by no nausea, applicable to Lung and Scrofulous diseases, also of the nervous system and digestive organs. I am much pleased with the results, and it is giving the highest satisfaction.
