this hitherto backward part of the vineyard, they have been roused to a seaso of their Christian duty and privileges; thus has the giver of all good con-descended to honour us as humble instruments in shewing forth his praise and glory. May this consideration by his continued blessing dispose us to zeal unto future good works. Occasional services have been held in Epsom, in Reach, and more regularly on the ninth con. of Pickering; in conjunction with the zerlous Incumbent of Scarboro', Rev. Wm. Belt, regular fortnightly Sunday services are held on the third concession, close to the Scarboro' townline, under flattering prospects. Duffins Creek, Greenwood and Ux-bridge completing the list of Sunday stations. At the visitation of the Lord Bishop this last year, fifty-two candidates, including four adults, presented themselves to renew their baptismal covenant in the Apostolic rite of Confirmation. Since my appointment to this mission, 101 members (of whom five were adults) have been added to the Church in Holy Baptism; in the same period the marriages have been eight, burials thirteen.

Since the retirment from the Brock mission of Rov. R. Garrett, missionary has deemed it his duty to visit occasionally our people, thus de-prived for a time of the services of the Church; on such occasions he had the satisfaction of meeting large and attentive congregations at the two churches, and also at Beaverton on Lake Simcoe. Services held in Brock eight, Beaverton two,

baptisms three, burials two.

TEA-PARTY AT WOOLER.

On the 20th ult, the ladies of Cold Creek, Murray and Frankford, gave a Tea-Party and musical selection at the house of Mr. Wilmot Gerow, Wooler, Cold Creek, Murray, the proceeds of which were to be devoted as a gift to the Rev. Wm Bleasdell, as a token of the appreciation of his services as their Pastor for some time back. The effort was eminently successful, and upwards of 200 guests sat down to ten thus provided, and did justice to the substantial and ample fare set before them. After tea addresses were delivered by the Revs. G. A. Anderson, of the Mohawk, J. A. Preston, of Stirling, and the Rev. Wm. Bleasdell. The musical portion of the entertainment was well sustained, and the talented execution of the Misses A. & J. Murphy were much admired and appreciated by all. The ladies who had the management of the affair, headed by Mrs. Gerow, deserve every praise; and Mr. Gerow, for his arrangements, and Mr. Hodge, for his tasteful decorations, all deserve special mention. The result, after paying for incidental expenses, brought £11 5s., which far exceeded all previous conception of the effort.—Trenton Ensign.

Pic-Nic.—On Thursday, the 28th ult, the Annual Pic-Nic of the St. George's Church Sun-Annual Pic-Nic of the St. George's Church Sunday School, Trenton, took place. At one o'clock the scho'ars, headed by the Rector, the Churchwarden Flindall, and the Teachers, walked in procession from the Church to Blecker's Grove, with beautiful flags and banners, including the Union Jack, St. George's Cross, &c., provided by the good taste and diligence of Mr. T. Hodge. There was a beautiful arch tastefully decorated with St. George's, St. Patrick's, and St. Andrew's crosses, which was much admired. After a certain amount of play in the grove, the children partook of the good fare provided for them by the ladies, to the number of sixty and upwards; and after them the adults, young and old, of which there were a goodly number. After this which there were a goodly number. After this Rev. A. J. Broughall 5.00 to Almighty God that, at the cleventh hour in they all joined in some youthful sport or other
