## OUR JULY NUMBER

will be a special issue devoted to the D. P. A. Convention of which a full report will be given with cuts of prominent members. The current issue of ENERGY is small but necessarily so. Our time is taken up so much in getting ready for the big issue that this number had to be a small one. Forms for the July Special will close on July 15th. Have all copy in by that date. It will reach over 4000 readers!

Ad rates cut in two.

1 inch 15c      1/2 page 45c

2 inches 25c      1/2 page 75c

1 page \$1.25.
