

FOR THE KIDNEYS, LIVER & URINARY ORGANS THE BEST BLOOD PURIFIER.

There is only one way by which any disease can be cured, and that is by removing the cause—whatever it may be. The great medical authorities of the day declare that no liver disease is caused by deranged kidneys or liver. To restore these therefore is the only way by which health can be secured here is where WARNER'S SAFE CURE has acquired its great reputation. It acts directly upon the kidneys and liver, and by placing them in a healthy condition drives disease and pain from the system. For all Kidney, Liver and Urinary troubles; for the distressing disorders of women, for Malaria, and physical troubles generally, this great remedy has no equal. Beware of impostors, imitations and concoctions said to be just as good. For Diabetics ask for WARNER'S SAFE DIABETES CURE. For sale by all doctors.

IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a SCROFULA, ing taint of Scrofula, you will dislodge it and expel it from your system. For constitutional or acquired Catarrh, CATARRH AYER'S SARSAPARILLA is the true remedy. It has cured numberless cases. It will stop the offensive catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

"Hutto, Tex., Sept. 23, 1882.

ULCEROUS "At the age of two years one of SORES with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore. Sore Eyes, physicians told us that a powerful alterative medicine must be employed. They united in recommending AYER'S SARSAPARILLA. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.

Yours truly, B. F. JOHNSON."

To Dyspeptics.

The most common signs of Indigestion, or Indigestion, are an oppression of the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.

BRANTFORD LADIES' COLLEGE.

THE location of the College is central, the grounds extensive, and shaded with ornamental trees and shrubs, while the building and rooms are elegant and home like. The Professors of Art and Music have each more than a Provincial reputation. The entire staff of teachers are able, trained and experienced. Six young ladies from this College wrote at the recent Toronto University Examinations for Women. All passed, five of them taking half the entire honors gained by the forty-eight successful candidates. College re-opens Sept. 5, 1883.
