

EGGS

We wish again to draw the attention of shippers at country points to the necessity of exercising every care in taking Eggs from farmers for the next four weeks. A good many of the receipts coming forward this week are showing age. We are paying good prices for fresh stock. Shippers will do well to ship promptly; along with Butter where possible to do so. Be sure and order our Egg Cases, as by doing so you get good, clean Fillers. All our Cases going out are plainly addressed with our own tags. Do not accept other Cases said to be "just as good."

Highest cash prices paid for BUTTER. We want large quantities to supply our regular trade.
