Montreal Hardware Market.

Pig iron has advanced fully 50c per ton in this market since our last report, Sumerlee being quoted at \$23.50, Gartscherrie \$22.50 to \$23.00, and Carnbro and Englington \$21.50 to \$22.00. Since this advance was reported, however, there has been a severe speculative shrinkage in Scotch warrants, which have tumbled from 53s 7d to 51s 3d, being a drop of 2s 4d within the past few days. No. 3 Middleboro has also sympathized with the decline in warrants, and is down 3s to 4s. This is said to be purely speculative owing to the stringency of the money market. In proof of this a cable despatch quotes makers' brands as firm as ever. Bar iron is still selling to the trade at \$2.25 for Canadian. It is stated that if
