ERRATA.

The reader is requested to make the following corrections in Mr. Morris's Correspondence. In letter of the 14th Sept. for "to His Excellency by Lord Glenelg"—read by His Excellency to Lord Glenelg—and in next line for "Glenelg" read "Goderich."

In Mr. Rintoul's Schedule page 280, Peterborough and Cavan are stated to have received £135 17s. 10d. from Government towards building churches in these places. Peterborough has received no aid from Government. Cavan only received £65.

The account of the proceedings of the Synod's Committee on the Synod Library, is again unavoidably postponed. It will appear in our next number.
