TRAINING CLASS For Christian Workers, EVERY THURSDAY, AT 8 P.M.

THE WORK.

WE are meeting with much encouragement in every branch of the work. At the Young Men's Meeting held on Saturday, five young men stood up for prayer, and two of these went on their way rejoicing.

Three or four faithful workers have left the city, thus leaving vacancies for new recruits. We are pleased to record that from the unsaved of our city there are being gathered in those who are being added to the Church of Christ, and are also being added to our working staff. These young men come to the work in all the ardour of their first love, and while helping us, are being built up themselves.

The Young Men's Bible Class shows a slight increase, and the Training Class has the usual average attendance. The Saturday evening Young Men's Meeting is well sustained, when we consider the fact that during the summer months there is, as a rule, a falling off. There were over sixty present at the last meeting.

He hath made Him to be sin for us, who knew no sin, that we might be made the righteousness of God in Him.—2 Cor. v. 21.
