

BYRON WESTON

DALTON, MASS., U. S. A.,

HAS BEEN AWARDED THE

GRAND PRIZE GOLD MEDAL

AND RECOMMENDED THE

Medal of Honor and Perfection

At PARIS, 1878,

This being the HIGHEST and ONLY AWARD given for

LINEN RECORD AND LEDGER PAPER.

Also, the only Gold Medal given for Ledger Paper at the Adelaide, Australia, Exhibition, 1881.

A SPECIALTY.

THIS paper has received THE HIGHEST PREMIUM over all others at the Cincinnati Industrial Exhibition, Massachusetts Horticultural, Mechanical Association, Franklin Institute of Philadelphia, Louisville Exposition, Medal and Diploma from United States Central Commission, Medal of Progress, American Institute, 1877, and Medal of Improvement and Progress Boston, 1878. ITS PRINCIPAL ADVANTAGES are as follows: 1. It contains more linen than any other Ledger Paper has a larger fibre, and is consequently stronger. 2. Having a larger and better body it trays less in crease, so that by simply using the rubber after the eraser the ink is prevented from spreading. 3. It is more uniform in weight, color and finish. 4. It never cracks if properly bound. 5. Its chemical action upon ink is such that it both writes and rules up better. For proof of the foregoing refer to a large number of Stationers, Bookbinders, Bookkeepers and Recorders who have given it after a severe test the preference over all others. This paper is Double Sized and will stand any climate or the most acid of fluid inks.

Send for Sample Sheet, erase and rewrite four times on same spot.

Each sheet is watermarked Byron Weston's Linen Record.

BUNTIN, GILLIES & CO'Y.
