THE CASHIER.

The Greatest Success of All.

Which is THE BEST Cash Register, is the question?
The "CASHIER" is not a high priced machine, but is within your reach. It is very simple in use; gives a perfectly correct and separate detailed account of each salesman's daily sales and receipts, shows amounts received on account, and enables the owner (and him only if desired), to know exactly what each salesman has done on each day. It prevents mistakes, and discovers them if made; takes care of the cash, and puts the owner in the way of stopping any leakage that may be occurring (unknown to him); in his cash drawer.

ALL FOR \$45.00.

Your order is solicited, and when received shall have prompt attention.
